

# 1911 STAINLESS STEEL BARREL BUSHINGS - NOWLIN PRE-FIT BARREL BUSHING

[Handgun Parts](#) > [Barrel Parts](#) > [Barrel Bushings](#)

## Improves Slide/Barrel Fit For Better Accuracy; Pre-Fit & Oversized Models

Premium-grade, machined stainless steel bushings ensure a close slide-to-barrel fit for the tight lockup that helps produce consistent accuracy. Heat treated and hardened to stay in spec through thousands of firing cycles. Pre-Fit requires little or no fitting on most 1911 Autos. Quick and easy way to obtain optimum accuracy and proper lock-up. Fits Nowlin, Wilson, and other .581" O.D. barrels. Oversized requires turning of O.D. and reaming of I.D. to achieve a true, match-grade fit for maximum accuracy and secure lock-up. Gunsmith fitting required.

## Attributes

- Name: [NOWLIN PRE-FIT BARREL BUSHING](#)
- Manufacturer: [NOWLIN](#)
- Product no.: 654000054
- Mfr. No.: NONE
- Finish: Stainless Steel

# Safety Instruction Guide for 1911 Stainless Steel Barrel Bushings

## Introduction

Thank you for choosing the 1911 Stainless Steel Barrel Bushings from Nowlin. These premiumgrade, machined stainless steel bushings are designed to provide a close slidetobarrel fit for optimal accuracy and secure lockup. This guide is intended to ensure safe use and proper installation of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms and firearm components with care and responsibility.
- Ensure that the barrel bushings are compatible with your specific 1911 model before installation.
- Inspect the product for any visible damage or defects before use.
- Keep all firearm components out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay updated on recall notices and product safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:** Improper installation or use may lead to firearm malfunction, resulting in injury or death.
- **Avoiding Hazards:**
  - Ensure that all fitting and adjustments are performed by a qualified gunsmith.
  - Do not attempt to modify the bushings beyond the specified dimensions.
  - Always follow the manufacturer's guidelines for installation and usage.
- **Age Restrictions:** This product is intended for use by adults only. Ensure that minors do not handle or use this product without adult supervision.

## Instructions for Installation and Usage

- **Installation:**
  1. **Preparation:** Gather all necessary tools and materials, including a gunsmithing kit.
  2. **Remove the Slide:** Carefully remove the slide from the frame of the 1911 firearm.
  3. **Remove Old Bushings:** If applicable, remove the old barrel bushings using appropriate tools.
  4. **Install New Bushings:**
    - For prefit bushings, insert the new bushing into the slide. Minimal fitting may be required.
    - For oversized bushings, turning of the O.D. and reaming of the I.D. may be necessary to achieve a matchgrade fit. This should be performed by a qualified gunsmith.
  5. **Reassemble the Firearm:** Once the bushings are installed, reassemble the slide onto the frame.
  6. **Function Check:** Ensure that the firearm operates correctly before use. Perform a function check to verify that the slide moves smoothly and locks securely.
- **Usage:**
  - Always ensure that the firearm is unloaded before performing any maintenance or inspection.
  - Follow all standard safety practices when handling firearms, including keeping the muzzle pointed in a safe direction and keeping your finger off the trigger until ready to shoot.

## **Disposal Instructions**

- Dispose of any old or damaged barrel bushings in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Consider contacting a local hazardous waste disposal facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 Stainless Steel Barrel Bushings, please refer to the manufacturer's contact information included with your purchase. Ensure that you have your product details on hand for a more efficient support experience.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Please follow these instructions carefully to ensure a safe and enjoyable experience with your 1911 Stainless Steel Barrel Bushings.
