Safety Instruction Guide for 1911 Hammer Strut by Nowlin

Introduction

Thank you for choosing the 1911 Hammer Strut by Nowlin. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the 1911 Hammer Strut.
- Always handle your firearm with care. Treat it as if it is loaded at all times.
- Store the product in a safe location, away from children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use.
- Only use this product with compatible 1911 firearms. Consult your firearm's manual for compatibility.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- If you experience any issues with the product, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Gunsmith fitting may be required for optimal performance. Consult a professional if you are not experienced in firearms modifications.
- Ensure that the firearm is completely unloaded before installing or removing the Hammer Strut.
- Use appropriate tools and safety equipment when handling the product.
- Be aware of your surroundings when using your firearm. Ensure a safe and secure environment.
- Avoid using the Hammer Strut under adverse conditions, such as extreme weather or when the firearm is wet.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including screwdrivers and wrenches.

2. Installation Steps

- Remove the grip panels of the firearm to access the internal components.
- Carefully remove the old Hammer Strut if applicable.
- Install the 1911 Hammer Strut by aligning it with the corresponding components in the firearm.
- Reassemble the firearm by replacing the grip panels securely.

3. PostInstallation Check

- Conduct a function check to ensure that the Hammer Strut operates correctly.
- Verify that the firearm cycles properly and that there are no obstructions.

4. Usage

- Always follow safe handling practices when using your firearm.
- Regularly clean and maintain the Hammer Strut and the firearm to ensure proper functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and firearm components.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 1911 Hammer Strut, please contact the manufacturer or a qualified firearms professional. Always ensure that you have the latest information regarding safety recalls and product updates.

By following these guidelines, you can ensure a safer experience with your 1911 Hammer Strut. Thank you for your attention to safety.
