

1911 DROP-IN TRIGGER JOB - NOWLIN PRO MATCH TRIGGER JOB

[Handgun Parts](#) > [Trigger Group Parts](#) > [Performance Enhancing Kits](#)

A Professional Trigger Pull Without The Work

Ready-to-drop-in parts put an ultra-smooth, clean breaking, professional quality trigger job in your 1911 Auto in only minutes. Fully prepared hammer and pre-ground, pre-polished sear, plus springs and fully-machined disconnecter, will install into most models of 1911 Autos with little or no fitting required. Helps promote better trigger control and improved accuracy. Pro Match - features wire EDM'd hammer and sear that are double heat treated, then finish ground for outstanding durability - 3 1/2 lb. pull weight. Commander Match - Carry Defense Style! A professional 4 lb. trigger pull.

1911 DROPIN TRIGGER JOB NOWLIN PRO MATCH TRIGGER JOB Safety Instructions

Introduction

Thank you for choosing the 1911 DROPIN TRIGGER JOB NOWLIN PRO MATCH TRIGGER JOB. This product is designed to enhance the performance of your 1911 Auto pistol by providing a professional quality trigger job. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- In case of product recalls, follow standardized recall notices and seek free remedies for dangerous products.
- Online shopping provides the same protections as physical stores; ensure that online platforms meet safety requirements.
- Extra safeguards are in place for vulnerable groups, such as children.
- All products must have an EU based contact for safety inquiries.
- Stay informed about unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- Always handle the trigger job components with care to avoid injury.
- Ensure that the firearm is unloaded and safe before installation.
- Keep the product and its components out of reach of children and unauthorized users.
- Use protective eyewear when working with firearm components to prevent injury from flying debris.
- Do not attempt installation or modification unless you are familiar with firearm safety and maintenance.
- If you experience any discomfort or uncertainty during installation, seek professional assistance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components: hammer, sear, sear spring, mainspring (hammer spring), and disconnecter.
- Ensure you have a clean, well lit workspace.

2. Installation Steps

- Ensure your 1911 Auto is completely unloaded and the safety is engaged.
- Remove the slide and frame from the firearm according to the manufacturer's instructions.
- Carefully remove the existing hammer and sear components.
- Install the prepared hammer and sear, ensuring proper alignment.
- Insert the sear spring and mainspring (hammer spring) into their designated locations.
- Install the fully machined disconnecter, ensuring it fits securely.
- Reassemble the slide and frame, following the manufacturer's guidelines.

3. Testing the Trigger Job

- After installation, conduct a function check to ensure that the trigger operates smoothly and safely.
- Test the trigger pull weight to confirm it meets the specified 3 1/2 lb. (Pro Match) or 4 lb.

(Commander Match) requirements.

- If any issues arise, disassemble and inspect the components for proper installation.

4. Usage

- Regularly check the trigger job components for wear and tear.
- Clean and maintain your firearm according to the manufacturer's recommendations to ensure optimal performance.

Disposal Instructions

- Dispose of any packaging materials and unused components in accordance with local regulations.
- Ensure that any discarded firearm components are rendered unusable before disposal to prevent unauthorized use.

Contact Information for Further Support

For any questions or concerns regarding the 1911 DROPIN TRIGGER JOB NOWLIN PRO MATCH TRIGGER JOB, please refer to the manufacturer's website or contact their support team directly.

Thank you for prioritizing safety and enjoyment in your shooting experience!
