Safety Instruction Guide for 1911 PIN SET NOWLIN S/S PIN SET

Introduction

Thank you for choosing the 1911 PIN SET NOWLIN S/S PIN SET. This product is designed to assist you in building a complete 1911 Auto with precision and durability. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you are familiar with the operation and assembly of firearm components before using this product.
- Always handle tools and components with care to prevent injury.
- Keep all components out of reach of children and unauthorized users.
- Regularly inspect all parts for wear or damage before use.
- Follow all local laws and regulations regarding firearm assembly and usage.
- In case of any doubts or uncertainties, consult a qualified gunsmith or firearms expert.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when handling pins and tools.
- Use only the specified pins included in this set; do not substitute with other parts that may not meet safety standards.
- Ensure that the workspace is clean and organized to prevent accidents.
- Avoid using excessive force during installation to prevent damage to the components or injury.
- Be cautious of sharp edges on pins and tools; handle them with care to avoid cuts or punctures.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components before starting the assembly.
- Ensure that your workspace is welllit and free of distractions.

2. Assembly Steps:

- Start by identifying each pin included in the set:
 - Hammer strut pin
 - Link pin (stainless steel)
 - Mainspring plunger
 - Sear pin
 - Solid ejector pin
 - Mainspring housing pin
 - Mainspring housing retainer
 - Mainspring plunger retainer
 - Hammer pin
 - Slide stop plunger
 - Thumb safety plunger
- Follow the specific assembly instructions provided in your firearm's manual for the 1911 Auto.
- Carefully install each pin in its designated location, ensuring a secure fit.
- After installation, check all components for proper alignment and function.

3. **PostInstallation:**

- Conduct a thorough inspection of the assembled firearm to ensure all parts are functioning correctly.
- Test the firearm in a controlled environment to confirm that all components operate safely.

Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not throw away components in regular household waste; instead, consider recycling metal parts where applicable.
- Ensure that all disposed components are rendered unusable to prevent unauthorized access.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided on the packaging or product documentation.

By following these guidelines, you can ensure a safe and successful experience with your 1911 PIN SET NOWLIN S/S PIN SET. Always prioritize safety and adhere to best practices when handling firearm components. Thank you for your attention and commitment to safety.
