RECOIL SPRINGS NOWLIN 14 LB. RECOIL SPRING

Safety Instruction Guide

Introduction

Thank you for choosing the RECOIL SPRINGS NOWLIN 14 LB. RECOIL SPRING. This product is designed to enhance the performance and durability of your firearm. Please read the following safety instructions carefully to ensure safe and effective use.

General Safety Guidelines

- Always handle firearms with care and follow all applicable laws and safety regulations.
- Ensure that you are in a safe environment when using or installing the recoil spring.
- Keep the recoil spring and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the recoil spring for signs of wear or damage before each use.
- If you notice any defects, do not use the recoil spring and seek a replacement.

Specific Safety Precautions for Use

- Use only with compatible 1911 Government model firearms.
- Ensure the firearm is unloaded before installing or replacing the recoil spring.
- Avoid using excessive force during installation, as this may damage the recoil spring or firearm.
- Do not modify the recoil spring in any way, as this can affect performance and safety.
- Be aware of the recoil characteristics of your firearm, as the 14 lb. spring is designed for specific cycling needs.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools: a punch tool, a hammer, and safety goggles.
- Ensure the firearm is completely unloaded and pointed in a safe direction.

2. Installation:

- Remove the slide from the firearm according to the manufacturer's instructions.
- Locate the recoil spring assembly and carefully remove the old recoil spring.
- Insert the new RECOIL SPRINGS NOWLIN 14 LB. RECOIL SPRING into the recoil spring assembly.
- Ensure that the spring is seated correctly and that there are no obstructions.

3. Reassembly:

- Reattach the slide to the frame of the firearm.
- Perform a function check to ensure that the slide operates smoothly with the new recoil spring.

4. Usage:

- Always wear appropriate safety gear, including eye protection, when operating your firearm.
- Follow the manufacturer's guidelines for shooting and maintenance.

Disposal Instructions

- Dispose of the recoil spring responsibly.

- Do not dispose of in regular household waste.
- Check local regulations for proper disposal methods for metal components.

Contact Information for Further Support

For any questions or concerns regarding the RECOIL SPRINGS NOWLIN 14 LB. RECOIL SPRING, please refer to the product packaging for the manufacturer's contact information. It is important to reach out to the manufacturer for any safety inquiries or product recalls.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of the RECOIL SPRINGS NOWLIN 14 LB. RECOIL SPRING. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important safety measures.
