

1911 SEAR - NOWLIN PRO MATCH SEAR

[Handgun Parts](#) > [Trigger Group Parts](#) > [Sear Parts](#) > [Sears](#)

Custom Performance With No Stoning Required

Pro Match - CNC machined from S7 tool steel, then double heat treated to provide non-captive sear angles that stay sharp and won't round off. These gunsmith fit sears require the secondary angle to be cut and final stoning. Recommended use with 201 Pro Hammer or 201 CS Hammer.

Safety Instruction Guide for 1911 SEAR NOWLIN PRO MATCH SEAR

Introduction

Thank you for choosing the 1911 SEAR NOWLIN PRO MATCH SEAR. This product is designed for use in various 1911 models, including Government, Commander, and Officers. It is essential to read and understand this safety instruction guide to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only by individuals who are knowledgeable about firearms and gunsmithing.
- Always follow local laws and regulations regarding firearm modifications and safety.
- Store the product in a secure location away from children and unauthorized users.
- Regularly inspect the sear for wear and damage before use.
- In case of uncertainty, consult a professional gunsmith for installation and fitting.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to firearm malfunction.
- Sharp edges may cause injury during handling.
- Incorrect fitting can result in unsafe firearm operation.

- **Avoiding Hazards:**

- Use proper tools and techniques when fitting the sear to ensure correct angles.
- Wear appropriate safety gear, such as gloves and safety glasses, while handling.
- Keep the work area clean and organized to prevent accidents.
- Never force the sear into place; ensure it fits correctly before finalizing installation.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals aged 18 and above. Ensure that minors are supervised when handling firearms or firearm components.

Instructions for Installation and Usage

- **Installation Steps:**

1. Gather necessary tools: files, stones, and other gunsmithing tools.
2. Ensure the firearm is unloaded and pointed in a safe direction.
3. Remove the existing sear from the firearm.
4. Fit the NOWLIN PRO MATCH SEAR into the firearm, ensuring it is aligned correctly.
5. Cut the secondary angle as per your specific requirements.
6. Perform final stoning to achieve the desired sear angles.
7. Reassemble the firearm and conduct a function check to ensure proper operation.

- **Usage Guidelines:**

- After installation, test the firearm in a controlled environment to ensure reliability.

- Regularly check the sear for any signs of wear or damage.
- If any issues arise during use, cease operation immediately and seek professional assistance.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Ensure that all firearm parts are rendered inoperable before disposal.
- Follow local guidelines for the disposal of metal and hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please consult a professional gunsmith or contact the manufacturer directly.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation (GPSR). Your careful attention to these guidelines will help ensure a safe and enjoyable experience with your 1911 SEAR NOWLIN PRO MATCH SEAR.
