REMINGTON 1100/1187 BARREL SEALS NULINE 12 GA. BARREL SEAL Safety Instructions

Introduction

Thank you for choosing the REMINGTON 1100/1187 BARREL SEALS NULINE 12 GA. BARREL SEAL. This product is designed to enhance the performance of your firearm by providing a longlasting Teflon replacement for factory gas system parts. It is crucial to follow the safety instructions outlined in this guide to ensure safe and effective use.

General Safety Guidelines

- Always handle your firearm with care and ensure it is unloaded before performing any maintenance or installation.
- Use this product only as intended and in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the barrel seal for wear or damage, and replace it if necessary.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is in a safe condition before installing or replacing the barrel seal.
- Avoid using excessive force when installing or removing the barrel seal to prevent damage.
- Do not use the product if you notice any signs of damage or wear.
- Always wear appropriate safety gear, such as eye protection, when working with firearms.
- Be aware of your surroundings and ensure that you are in a safe area when handling your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation (if required).

2. Installation:

- Locate the gas system area where the barrel seal will be installed.
- Remove the old or damaged barrel seal carefully.
- Clean the area to remove any debris or carbon buildup.
- Insert the new Teflon barrel seal into the designated slot, ensuring it is seated properly.

3. Usage:

- After installation, perform a function check on your firearm to ensure it operates correctly.
- Regularly inspect the barrel seal during routine maintenance to ensure it remains in good condition.

Disposal Instructions

- Dispose of any old or damaged barrel seals in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please reach out to the manufacturer or your local distributor. Ensure you have the product information ready for efficient assistance.

By following these guidelines, you can ensure safe and effective use of the REMINGTON 1100/1187 BARREL SEALS NULINE 12 GA. BARREL SEAL. Thank you for prioritizing safety in your firearm maintenance.
