# REMINGTON 1100/1187 BARREL SEALS NULINE 12 GA. BARREL SEAL, 10PAK Safety Instruction Guide

## Introduction

Thank you for choosing the REMINGTON 1100/1187 Barrel Seals by NULINE. This product is designed to enhance the performance of your firearm by providing longlasting, Teflon replacement seals for the gas system. To ensure your safety and the effective use of this product, please read and follow the guidelines outlined in this document.

## General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded before performing any maintenance or installation.
- Follow all local laws and regulations regarding firearm safety and usage.
- Keep the product out of reach of children and unauthorized individuals.
- Regularly inspect your firearm and its components for wear and damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Ensure that the barrel seal is compatible with your firearm model (1187 or 1100).
- Avoid using seals that show signs of damage or excessive wear.
- Only use the product for its intended purpose as specified in the installation instructions.
- Do not attempt to modify or alter the barrel seals.
- If you experience any issues during installation or use, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

### 2. Removing the Old Seal:

- Carefully disassemble the gas system of your firearm as per the manufacturer's instructions.
- Remove the old gas seal. Inspect the area for any debris or damage.

### 3. Installing the New Seal:

- Take the new Teflon barrel seal from the package.
- Align the new seal properly in the designated area of the gas system.
- Ensure it fits snugly without any gaps or misalignment.

### 4. Reassembling the Firearm:

- Reassemble the gas system of your firearm according to the manufacturer's instructions.
- Doublecheck that all components are securely in place.

### 5. Testing:

- Before using the firearm, conduct a function check to ensure everything is operating correctly.
- If any issues arise, consult a qualified gunsmith for assistance.

## **Disposal Instructions**

- Dispose of any old or damaged seals in accordance with local waste disposal regulations.
- Do not dispose of seals in a manner that could harm the environment or pose a safety risk to others.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the REMINGTON 1100/1187 Barrel Seals, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety and compliance while using our product. Enjoy enhanced performance with your REMINGTON 1100 or 1187!
