## GA. BARREL SEAL Safety Instructions

### Introduction

Thank you for choosing the REMINGTON 1100/1187 BARREL SEALS NULINE 12 GA. BARREL SEAL. This product is designed to enhance the performance of your firearm by ensuring a reliable gas seal. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded when performing maintenance.
- Ensure that all components are compatible with your firearm model (1187 or 1100).
- Regularly inspect the barrel seals for wear and replace them as necessary.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or incidents to the relevant authorities.

### Specific Safety Precautions for Use

- Avoid using the product in extreme temperatures or conditions that may affect its performance.
- Do not attempt to modify or alter the barrel seals as this may compromise safety.
- Ensure that the firearm is clean and free from debris before installation of the barrel seals.
- Always follow the manufacturer's instructions for installation and usage to avoid accidents.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is unloaded and safe to handle.
- Gather necessary tools for installation, such as a clean cloth and appropriate cleaning supplies.

#### 2. Installation:

- Remove the existing barrel seal carefully.
- Clean the area where the new seal will be installed to ensure proper adhesion.
- Take one of the NULINE Teflon barrel seals from the package.
- Align the new seal with the designated area on the gas system.
- Press the seal firmly into place, ensuring it fits snugly.

#### 3. Usage:

- Once installed, perform a visual inspection to confirm that the seal is properly seated.
- Conduct a function check of the firearm to ensure it operates smoothly.
- Regularly check the barrel seal for signs of wear or damage.

### Disposal Instructions

- Dispose of any old or damaged barrel seals in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options if available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please consult the manufacturer's website or contact the customer service department.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
