# REMINGTON 1100/1187 BARREL SEALS NULINE 20 GA. BARREL SEAL Safety Instruction Guide

## Introduction

Thank you for choosing the REMINGTON 1100/1187 BARREL SEALS NULINE 20 GA. BARREL SEAL. This product is designed to ensure optimal performance of your firearm by replacing worn or damaged gas seals. Please read this safety instruction guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always handle firearms with care and follow all safety procedures.
- Ensure the firearm is unloaded before performing any maintenance or installation.
- Keep out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure you are in a safe environment when using your firearm.
- Regularly inspect your firearm and its components for wear and damage.

## Specific Safety Precautions for Use

- Use only the recommended Teflon barrel seal for your REMINGTON 1100 or 1187.
- Do not attempt to modify or alter the barrel seal in any way.
- Ensure that the barrel seal is properly installed to avoid gas leaks or malfunctions.
- Avoid using the firearm if the gas seals are rusted, broken, or excessively carboned up.
- If you notice any unusual sounds or performance issues while using your firearm, stop using it immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation (if any).

### 2. Removing the Old Barrel Seal:

- Carefully remove the existing barrel seal from the firearm.
- Inspect the area for any debris or damage.

### 3. Installing the New Barrel Seal:

- Take the new Teflon barrel seal from the packaging.
- Align the new seal with the gas system parts.
- Gently press the seal into place until it is secure.

### 4. Final Checks:

- Inspect the installation to ensure the seal is correctly positioned.
- Reassemble any parts of the firearm that were removed during the process.
- Perform a function check to ensure everything operates smoothly.

### 5. Usage:

- Follow all standard operating procedures for your firearm.
- Regularly check the condition of the barrel seal and replace as necessary.

## **Disposal Instructions**

- Dispose of the old barrel seal in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure the safe and effective use of the REMINGTON 1100/1187 BARREL SEALS NULINE 20 GA. BARREL SEAL. Always prioritize safety and compliance with the EU General Product Safety Regulation (GPSR). Thank you for your attention to these important guidelines.
