

6"x1"x1" INDIA STONES - MF-76 MEDIUM INDIA STONE

[Gunsmith Tools & Supplies](#) > [Metal Prep & Coloring](#) > [Stones](#)

Excellent Surface Finish With Fast Metal Removal

Fast cutting, aluminum oxide stone, six inches long and one inch square, lets you make a long, steady stroke and turn out those glass sharp, silky-smooth trigger jobs that make shooting a joy. One inch square size offers excellent steadiness and good visibility. Lubricate with stoning/honing oil. Excellent for many other stoning jobs too. MF-76 Medium is perfect for fast cleanup of manufacturing burrs found in most new guns. A few quick strokes in the jig results in a much smoother trigger pull. FF-76 Fine offers an excellent combination of speed and smoothness of cut to put a final finish on trigger parts for a crisp, smooth, trigger pull.

Safety Instruction Guide for 6"x1"x1" INDIA STONES MF76 MEDIUM INDIA STONE

Introduction

Thank you for choosing the 6"x1"x1" INDIA STONES MF76 MEDIUM INDIA STONE. This product is designed for effective and safe use in various stoning applications, including the maintenance of firearms. Please read this safety instruction guide carefully to ensure proper usage and to minimize any risks associated with the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the stone.
- Use appropriate personal protective equipment (PPE), such as safety goggles and gloves, when handling the stone.
- Be aware of your surroundings and ensure a safe working area free from distractions.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always lubricate the stone with stoning/honing oil to prevent overheating and to achieve a smoother finish.
- Avoid applying excessive pressure while using the stone to prevent breakage and to ensure a consistent finish.
- Do not use the stone on materials that are not suitable for stoning, as this may damage the stone or cause injury.
- Ensure that the workpiece is securely held in place to prevent slipping during use.
- Store the stone in a dry place to avoid moisture damage.

Instructions for Installation and Usage

1. Preparation for Use:

- Gather all necessary materials, including the stone, stoning/honing oil, and PPE.
- Ensure your work area is clean and welllit.

2. Lubrication:

- Apply a few drops of stoning/honing oil to the surface of the stone before use.

3. Using the Stone:

- Hold the stone firmly with one hand and the workpiece with the other.
- Make long, steady strokes along the surface of the workpiece, applying light pressure.
- Regularly check the progress and adjust the angle of the stone as needed for optimal results.

4. PostUse Care:

- Clean the stone after use to remove any residue.
- Store the stone in a protective case or wrap it to prevent damage.

Disposal Instructions

- Dispose of any used stoning/honing oil according to local regulations.
- If the stone is damaged beyond repair, check with local waste management guidelines for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the 6"x1"x1" INDIA STONES MF76 MEDIUM INDIA STONE, please refer to the manufacturer's contact information included with your product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your INDIA STONES MF76 MEDIUM INDIA STONE. Always prioritize safety and proper handling to enjoy the full benefits of this product. Thank you for your attention to these guidelines.
