

6"x1"x1" INDIA STONES - FF-76 FINE INDIA STONE

[Gunsmith Tools & Supplies](#) > [Metal Prep & Coloring](#) > [Stones](#)

Excellent Surface Finish With Fast Metal Removal

Fast cutting, aluminum oxide stone, six inches long and one inch square, lets you make a long, steady stroke and turn out those glass sharp, silky-smooth trigger jobs that make shooting a joy. One inch square size offers excellent steadiness and good visibility. Lubricate with stoning/honing oil. Excellent for many other stoning jobs too. MF-76 Medium is perfect for fast cleanup of manufacturing burrs found in most new guns. A few quick strokes in the jig results in a much smoother trigger pull. FF-76 Fine offers an excellent combination of speed and smoothness of cut to put a final finish on trigger parts for a crisp, smooth, trigger pull.

Safety Instruction Guide for 6"x1"x1" INDIA STONES FF76 FINE INDIA STONE

Introduction

Thank you for choosing the 6"x1"x1" INDIA STONES FF76 FINE INDIA STONE. This product is designed to enhance your experience in achieving smooth and precise finishes on trigger parts. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always keep the stone out of reach of children.
- Use the stone only for its intended purpose.
- Inspect the stone before each use for any signs of damage or wear.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the stone.
- Ensure that your work area is clean and free of distractions.
- Store the stone in a dry place when not in use.

Specific Safety Precautions for Use

- Avoid using excessive force while using the stone to prevent injury or damage to the stone.
- Lubricate the stone with stoning/honing oil to enhance performance and reduce friction.
- Use the stone in a wellventilated area to avoid inhalation of dust particles.
- Do not use the stone on materials other than those specified for its intended use.
- If you experience any discomfort or notice any unusual sounds while using the stone, stop immediately and inspect the tool.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the stone and stoning/honing oil.
- Ensure your workspace is organized and welllit.

2. Using the Stone:

- Apply a few drops of stoning/honing oil onto the stone.
- Hold the stone firmly using both hands to maintain control.
- Position the stone at the desired angle against the material being worked on.
- Make long, steady strokes to achieve a smooth finish.
- Regularly check the progress and adjust your technique as needed.

3. PostUse Care:

- Clean the stone with a soft cloth to remove any debris or residue after use.
- Store the stone in its designated place to prevent damage.

Disposal Instructions

- Dispose of the stone in accordance with local regulations.
- If the stone is damaged or no longer usable, consider recycling options if available.
- Do not dispose of the stone in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the EUbased contact point associated with this product. You can also check the EU's Safety Gate platform for updates on product recalls or safety alerts.

By following these safety instructions, you can ensure a safe and effective experience with your 6"x1"x1" INDIA STONES FF76 FINE INDIA STONE. Thank you for your attention to these safety guidelines.
