

# INDIA STONES - NORTON MF-134 TRIANGULAR INDIA STONE 4X3/8"

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Stones](#)

## Mainstay Of The Gunsmith Profession

Man made from aluminum oxide. A uniformly dense stone with superior cutting properties make these medium grit stones cut faster than hard Arkansas. Especially useful for lapping, honing, sharpening and polishing in tight places where the special shapes can reach into nooks and crannies.

# Safety Instruction Guide for INDIA STONES NORTON MF134 TRIANGULAR INDIA STONE 4X3/8"

## Introduction

Thank you for choosing the INDIA STONES NORTON MF134 TRIANGULAR INDIA STONE. This product is designed for effective lapping, honing, sharpening, and polishing in tight spaces. To ensure safe and effective use, please read this safety instruction guide carefully. It provides essential information about the safe handling and use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Always ensure the safe use of the stone. This product is made from aluminum oxide and has superior cutting properties. Use it as intended to avoid risks.
- **Enhanced Recalls:** Stay informed about any recalls. If a recall notice is issued, follow the instructions provided for safe return or remedy.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point as indicated on the product packaging or retailer's website.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Avoid Contact with Skin:** The sharp edges of the stone can cause cuts or abrasions. Always handle with care.
- **Use Personal Protective Equipment (PPE):** Wear safety goggles and gloves when using the stone to protect your eyes and hands.
- **Supervise Use:** Ensure that inexperienced users are supervised during use to prevent accidents.
- **Inspect Before Use:** Check the stone for any visible damage before use. Do not use if damaged.
- **Work in a WellVentilated Area:** Ensure adequate ventilation to avoid inhalation of any dust particles generated during use.
- **Keep Away from Water:** Avoid using the stone in wet conditions to prevent slipping and maintain its effectiveness.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have a clean, dry workspace.
- Gather all necessary tools and safety gear (goggles, gloves).

### 2. Using the Stone:

- Hold the stone securely in one hand.
- Position the item to be sharpened or honed against the stone.
- Apply even pressure while moving the item across the stone in a controlled manner.
- Use the triangular shape to access tight spaces effectively.

### 3. PostUse Care:

- Clean the stone after use to remove any debris or particles.
- Store the stone in a dry place, away from direct sunlight and moisture.
- Inspect the stone regularly for wear and replace it if necessary.

## Disposal Instructions

- **Dispose of Responsibly:** When the stone has reached the end of its useful life, dispose of it in accordance with local regulations for hazardous materials.
- **Recycling:** If possible, recycle the stone through appropriate recycling channels to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the use of the INDIA STONES NORTON MF134 TRIANGULAR INDIA STONE, please refer to the retailer or manufacturer's contact information provided on the packaging.

By following these safety instructions, you can ensure a safe and effective experience with your INDIA STONES NORTON MF134 TRIANGULAR INDIA STONE. Thank you for your attention to safety!
