# Safety Instructions for Polishing Wheel Cleaning Brick

## Introduction

Thank you for choosing the Norton Polishing Wheel Cleaning Brick. This product is designed to efficiently clean and maintain your polishing wheels, ensuring optimal performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the cleaning brick for any damage before use; do not use if damaged.
- Ensure proper ventilation in the area where you are using the product.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves to prevent injury.
- Be aware of potential hazards associated with dust and debris produced during use.

## Specific Safety Precautions for Use

- Use the cleaning brick only on muslin and felt wheels.
- Avoid using the brick on any surfaces that are not specified by the manufacturer.
- Do not apply excessive pressure while cleaning to prevent damage to the wheels.
- Do not use the cleaning brick if it is wet or damp.
- Always clean the area after use to avoid slipping hazards from debris.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the polishing wheels are securely mounted and stable.
- Clear the workspace of any unnecessary items to prevent accidents.

### 2. Using the Cleaning Brick:

- Hold the cleaning brick firmly in one hand.
- Gently rub the brick against the surface of the polishing wheel, using a backandforth motion.
- Apply light pressure; if the debris does not come off easily, do not force it.
- Continue until the surface is clean and free of abrasive and metal residue.

### 3. PostUse Care:

- After cleaning, inspect the polishing wheels for any signs of wear or damage.
- Store the cleaning brick in a dry place away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the cleaning brick in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is deemed hazardous.
- Check with local waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please reach out to your local distributor or manufacturer's representative. Ensure to have the product details on hand for efficient assistance.

Thank you for prioritizing safety while using the Norton Polishing Wheel Cleaning Brick. Your adherence to these guidelines helps ensure a safe and effective experience.
