

INDIA STONES - NORTON MF-214, ROUND, 4X1/4"

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Stones](#)

Mainstay Of The Gunsmith Profession

Man made from aluminum oxide. A uniformly dense stone with superior cutting properties make these medium grit stones cut faster than hard Arkansas. Especially useful for lapping, honing, sharpening and polishing in tight places where the special shapes can reach into nooks and crannies.

Safety Instruction Guide for INDIA STONES NORTON MF214, ROUND, 4X1/4"

Introduction

Thank you for choosing the INDIA STONES NORTON MF214. This product is designed for effective lapping, honing, sharpening, and polishing in tight spaces. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves while using the stone.
- Keep the work area clean and organized to prevent accidents.
- Do not use the stone in wet conditions to avoid slipping and electrical hazards.
- Be aware of your surroundings and ensure that no one is in the immediate area while you are working.

Specific Safety Precautions for Use

- Avoid inhaling dust created during use; wear a dust mask if necessary.
- Do not apply excessive pressure while using the stone; let the tool do the work.
- Keep fingers and hands clear of the cutting area to prevent injuries.
- Do not use the stone if it is damaged or shows signs of wear.
- Store the stone in a safe place away from children and pets.

Instructions for Installation and Usage

1. Preparation:

- Ensure your work surface is stable and secure.
- Gather all necessary tools and PPE before starting.

2. Installation:

- The INDIA STONES NORTON MF214 is designed for use with compatible sharpening tools.
- Follow the manufacturer's instructions for mounting the stone securely if applicable.

3. Usage:

- Hold the stone firmly while in use.
- For lapping and honing, apply light, even pressure.
- For sharpening, maintain a consistent angle for best results.
- Regularly check the condition of the stone during use and replace it if necessary.

4. PostUsage Care:

- Clean the stone after each use to remove debris and dust.
- Store the stone in a dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the stone in regular household waste.
- Check for local recycling programs that accept aluminum oxide materials.

Contact Information for Further Support

If you have any questions or need further assistance, please contact the manufacturer's customer support or visit the official website for more information.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your INDIA STONES NORTON MF214. Always prioritize safety and do not hesitate to seek help if you are unsure about any aspect of using this product. Thank you for your attention to these important safety measures.
