Mainstay Of The Gunsmith Profession

Man made from aluminum oxide. A uniformly dense stone with superior cutting properties make these medium grit stones cut faster than hard Arkansas. Especially useful for lapping, honing, sharpening and polishing in tight places where the special shapes can reach into nooks and crannies.

Safety Instruction Guide for INDIA STONES NORTON MT134, DIAMOND, 4X3/8"

Introduction

Thank you for choosing the INDIA STONES NORTON MT134, DIAMOND, 4X3/8". This product is designed for effective lapping, honing, sharpening, and polishing. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- Ensure that the product is suitable for your intended use.
- Always inspect the stone for any visible damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product in a wellventilated area to avoid inhaling any dust particles.
- Follow all local regulations regarding the use and disposal of abrasive materials.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including:
 - Safety goggles to protect your eyes from flying debris.
 - Dust mask or respirator to prevent inhalation of harmful particles.
 - Gloves to protect your hands from sharp edges and abrasive surfaces.
- Avoid using the stone on materials not recommended by the manufacturer.
- Do not apply excessive pressure while using the stone; allow the stone to do the work.
- Keep hands and other body parts clear of the working area to prevent injury.
- If the stone becomes excessively worn or damaged, discontinue use immediately.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your work area is clean and free of clutter.
- Gather all necessary tools and materials before starting.

2. Using the Stone:

- Hold the stone securely with both hands.
- Position the stone at the desired angle against the material being worked on.
- Apply even pressure while moving the stone back and forth or in circular motions.
- Frequently check the progress to avoid oversharpening or damaging the material.

3. Cleaning and Maintenance:

- After use, clean the stone with a damp cloth to remove any residue.
- Allow the stone to dry completely before storage.
- Store the stone in a cool, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the stone in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product recalls, please contact the manufacturer or your local distributor. Ensure to have the product information ready for reference.

By adhering to these safety guidelines, you can ensure a safe and effective experience while using the INDIA STONES NORTON MT134, DIAMOND, 4X3/8". Thank you for your attention to safety.
