

# INDIA STONES - NORTON MF-724, KNIFE, 4X1X1/8"

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Stones](#)

## Mainstay Of The Gunsmith Profession

Man made from aluminum oxide. A uniformly dense stone with superior cutting properties make these medium grit stones cut faster than hard Arkansas. Especially useful for lapping, honing, sharpening and polishing in tight places where the special shapes can reach into nooks and crannies.

# Safety Instruction Guide for INDIA STONES NORTON MF724 Knife

## Introduction

Thank you for choosing the INDIA STONES NORTON MF724 Knife. This product is designed for sharpening, honing, and polishing in tight spaces. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use the product as intended.
- Keep out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use.
- Use the knife in a welllit area to ensure visibility.
- Do not use the knife for any purpose other than its intended use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates regularly on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear safety glasses to protect your eyes from debris.
- Use gloves to protect your hands from sharp edges.
- Ensure a stable work surface to prevent slips and accidents.
- Avoid applying excessive pressure during use to prevent breakage.
- Do not use the knife if you are under the influence of drugs or alcohol.
- Keep your fingers away from the cutting area to prevent injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the work surface is clean and free of obstructions.
- Gather all necessary tools and safety equipment.

### 2. Using the Knife:

- Hold the knife firmly by the handle.
- Position the stone at the desired angle against the blade to be sharpened.
- Apply light pressure while moving the stone along the blade in a smooth motion.
- Repeat the process as needed, checking the sharpness frequently.
- For polishing, use the finer grit side of the stone.

### 3. PostUse Care:

- Clean the knife and stone after use to remove any debris.
- Store the knife in a safe place, away from children and pets.
- Regularly check the stone for wear and replace it if necessary.

## Disposal Instructions

- Dispose of the knife and stone in accordance with local regulations.
- Ensure that the knife is securely wrapped or shielded to prevent injury during disposal.

- Recycle materials where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the contact information provided with the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your INDIA STONES NORTON MF724 Knife. Thank you for your attention to safety.
