Safety Instruction Guide for METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL

Introduction

Thank you for choosing the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL. This product is designed for metalworking professionals and is ideal for a variety of applications, including coarse sanding and fine polishing of hard or ferrous metals. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use personal protective equipment (PPE) such as gloves, safety goggles, and dust masks when using this product.
- Ensure that the working area is wellventilated to avoid inhaling dust particles.
- Keep the product out of reach of children and unauthorized personnel.
- Regularly inspect the cloth roll for any signs of damage or wear before use.
- Follow all local regulations and guidelines concerning the disposal of abrasive materials.

Specific Safety Precautions for Use

- Do not use the cloth roll on materials that it is not designed for, as this may pose safety risks and lead to ineffective results.
- Avoid excessive pressure while using the cloth roll; let the material do the work to prevent overheating and potential hazards.
- Ensure that the cloth roll is securely attached to the tool before use to prevent accidents.
- Do not use the product near flammable materials or in explosive environments.
- If the cloth roll tears or frays during use, stop immediately and replace it to avoid injury.

Instructions for Installation and Usage

1. Installation:

- Ensure that your tool is compatible with the METALITE CLOTH ROLL.
- Carefully unwind the desired length of cloth from the roll.
- Cut the cloth to the required length using scissors or a suitable cutting tool.
- Attach the cloth securely to your sanding or polishing tool according to the manufacturer's instructions.

2. Usage:

- Start the tool at a low speed to ensure the cloth is securely in place.
- Gradually increase the speed as needed for your specific task.
- Maintain a steady and controlled motion while sanding or polishing.
- Periodically check the cloth for wear and replace it if necessary.

Disposal Instructions

- Dispose of used cloth rolls in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or concerns regarding the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL, please contact the relevant authorities or your local distributor.

By following these safety instructions, you can ensure a safe and effective experience while using the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL. Thank you for your attention to safety.
