# Safety Instruction Guide for METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL

## Introduction

Thank you for choosing the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL. This product is designed for metalworking professionals and hobbyists alike, providing exceptional performance in sanding and polishing various metals. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- **Product Safety**: This product is designed to meet safety standards for nonfood items. Always handle it with care to avoid potential injuries.
- **Enhanced Recalls**: In the unlikely event of a product recall, information will be provided through standardized notices. Ensure you stay informed about any updates.
- **Online Shopping**: When purchasing this product online, ensure that the seller complies with safety requirements equivalent to those in physical stores.
- **Special Consumer Focus**: Extra care should be taken when this product is used around vulnerable groups, such as children. Keep out of reach of children.
- **EU Contact Point**: For any safety inquiries, refer to the EUbased contact point provided by your retailer.
- **Rapid Alerts**: Stay updated on product safety by checking the EU's Safety Gate platform for alerts on unsafe products.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE)**: Always wear appropriate PPE, including safety goggles, gloves, and a dust mask, to protect against dust and debris.
- **Ventilation**: Ensure adequate ventilation in the workspace to minimize inhalation of dust and fumes.
- **Surface Preparation**: Before use, ensure that the surface to be worked on is clean and free of contaminants.
- **Avoid Overheating**: Do not apply excessive pressure during sanding or polishing to avoid overheating the material and the cloth.
- **Check for Damage**: Inspect the cloth roll for any signs of damage before use. Do not use if damaged.
- **Keep Away from Flammable Materials**: Avoid using near flammable materials or in explosive atmospheres.

## Instructions for Installation and Usage

1. **Preparation**:

   - Gather all necessary tools and safety equipment.
   - Ensure the work area is clean and welllit.

2. **Installation**:

   - Cut the cloth roll to the desired length, if necessary.
   - Attach the cloth roll to the appropriate tool (sander, grinder, etc.) according to the tool's instructions.

3. **Usage**:

   - Begin sanding or polishing at a low speed to assess the material's response.

- Gradually increase speed and pressure as needed, ensuring even coverage.
- Regularly check the cloth for wear and replace it as necessary to maintain effectiveness.

4. **PostUse**:

- Clean the work area to remove any dust or debris.
- Store the cloth roll in a cool, dry place away from direct sunlight and moisture.

# Disposal Instructions

- Dispose of used cloth rolls in accordance with local regulations for hazardous waste.
- Do not dispose of in regular household waste.
- Consider recycling options if available.

# Contact Information for Further Support

For any questions or concerns regarding the safety and use of the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL, please refer to the contact information provided by your retailer.
