# Safety Instruction Guide for METALITE CLOTH ROLLS NORTON EZ METALITE CLOTH ROLL

## Introduction

Thank you for choosing the METALITE CLOTH ROLLS NORTON EZ METALITE CLOTH ROLL. This product is designed for metalworking professionals and enthusiasts, providing an effective solution for coarse sanding to fine polishing of hard or ferrous metals. This guide outlines important safety instructions to ensure the safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Be aware of potential risks associated with the use of abrasive materials.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any adverse reactions or accidents, report them to the appropriate authorities.

## Specific Safety Precautions for Use

- Read and understand all instructions before using the product.
- Do not use the cloth roll on materials or surfaces not recommended by the manufacturer.
- Avoid excessive pressure during use to prevent injury and damage to the material being worked on.
- Ensure that the workspace is wellventilated to minimize inhalation of dust and particles.
- Use the cloth roll only for its intended purpose; misuse could result in injury or damage.
- Inspect the cloth roll before use for any signs of damage or wear. Do not use if damaged.
- Store the product in a cool, dry place away from direct sunlight and moisture.

## Instructions for Installation and Usage

- Cut the desired length of the cloth roll as needed for your project.
- Secure the cloth roll to the appropriate tool or workstation following the manufacturer's instructions.
- Start using the cloth roll at a low speed to assess its performance on the material.
- Gradually increase speed as necessary, ensuring a steady and controlled motion.
- Use the cloth roll with a light, even pressure to achieve the best results without damaging the workpiece.
- After use, clean the workspace to remove any debris or dust generated during the sanding or polishing process.

## Disposal Instructions

- Dispose of any used or damaged cloth rolls in accordance with local waste disposal regulations.
- Do not incinerate or expose the product to open flames.
- Consider recycling options for any components that can be recycled.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the METALITE CLOTH ROLLS NORTON EZ METALITE CLOTH ROLL, please reach out to the manufacturer or authorized distributor. They can provide assistance and address any issues related to product safety and usage.

By following these guidelines, you can ensure a safe and effective experience while using the METALITE CLOTH ROLLS NORTON EZ METALITE CLOTH ROLL. Thank you for prioritizing safety in your metalworking projects.
