# Safety Instruction Guide for METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL 11/2" WIDEX10 YARDS 220 GRIT

## Introduction

Thank you for choosing METALITE CLOTH ROLLS NORTON EZ FLEX. This product is designed for metalworking professionals and enthusiasts alike. It is important to follow safety guidelines to ensure safe and effective use. This guide provides essential safety instructions to help you use the product safely and responsibly.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that you are using the product for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as gloves, goggles, and masks when using the product.
- Regularly inspect the product for any signs of wear or damage before use.
- If you experience any issues while using the product, stop immediately and consult a professional.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Dust and particles generated during use may be harmful if inhaled.
- Sharp edges may cause cuts or injuries.
- Improper use may lead to equipment damage or personal injury.

### • Avoiding Hazards:

- Use in a wellventilated area to minimize dust inhalation.
- Wear a dust mask or respirator to protect against inhalation of harmful particles.
- Ensure that your work area is free from clutter and obstacles.
- Do not use the cloth roll on materials it is not designed for.

### • Age and AudienceSpecific Warnings:

- This product is intended for use by adults and trained professionals.
- Keep the product away from children and inexperienced users.

## Instructions for Installation and Usage

### • Installation:

- Ensure that the cloth roll is compatible with your sanding or polishing equipment.
- Follow the manufacturer's instructions for attaching the cloth roll to your equipment.

### • Usage:

- Always start with a lower speed setting on your equipment and gradually increase as needed.
- Apply even pressure while sanding or polishing to achieve the best results.
- Do not force the cloth roll; let the tool do the work.

- Pause periodically to check the condition of the cloth and to ensure proper operation.

## **Disposal Instructions**

- Dispose of used cloth rolls in accordance with local regulations.
- Do not dispose of in regular household waste if the product is contaminated with hazardous materials.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the product, please refer to the manufacturer's contact information provided on the packaging or product insert.

By following these safety instructions, you can ensure a safe and effective experience while using the METALITE CLOTH ROLLS NORTON EZ FLEX. Thank you for your attention to safety, and happy working!
