# Safety Instruction Guide for METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL 11/2" WIDEX10 YARDS 320 GRIT

## Introduction

Thank you for choosing the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL. This product is designed for metalworking professionals and enthusiasts, ideal for various applications including coarse sanding and fine polishing of hard or ferrous metals. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as gloves, goggles, and masks when using this product.
- Keep the workspace clean and organized to prevent accidents.
- Be aware of your surroundings and ensure that no one is in the immediate area while using the cloth roll.
- Regularly check the product for signs of wear or damage before use.
- If you notice any defects or irregularities, discontinue use immediately and report the issue.

## Specific Safety Precautions for Use

- **Avoid Inhalation:** Do not inhale dust generated during sanding or polishing. Use a dust mask or respirator if necessary.
- **Skin Protection:** Prolonged contact with the cloth roll may cause skin irritation. Wear gloves to protect your hands.
- **Eye Protection:** Always wear safety goggles to protect your eyes from flying debris.
- **Electrical Safety:** If using power tools, ensure that they are properly grounded and in good working condition.
- **Fire Hazard:** Keep the cloth roll away from open flames or high heat sources, as it may be flammable.
- **Child Safety:** This product is not intended for use by children. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the work area is clean and free from clutter.
- Gather all necessary tools and PPE before starting.

### 2. Installation:

- If using with a power tool, carefully follow the manufacturer's instructions for attaching the cloth roll.
- Ensure that the cloth roll is securely attached and that there are no loose parts.

### 3. Usage:

- Start the power tool or begin sanding by hand at a low speed to avoid excessive wear.
- Apply even pressure when sanding or polishing to achieve the best results.
- Move the cloth roll in a consistent motion to avoid gouging the surface.
- Periodically check the cloth roll for wear and replace as needed.

#### **4. PostUse:**

- Turn off and unplug power tools before changing or inspecting the cloth roll.
- Clean the work area of any debris or dust generated during use.

## **Disposal Instructions**

- Dispose of used cloth rolls in accordance with local regulations.
- Do not dispose of in regular household waste if it is contaminated with hazardous materials.
- Check with local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL, please reach out to your local distributor or retailer. They can provide additional information and assistance.

By following these guidelines, you can ensure a safe and effective experience with the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL. Thank you for your attention to safety and best practices in metalworking!
