Safety Instruction Guide for METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL

Introduction

Thank you for choosing the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL. This product is designed for metalworking professionals and is suitable for various applications, including coarse sanding and fine polishing of hard or ferrous metals. To ensure safe and effective use of this product, please read and follow the safety instructions in this guide.

General Safety Guidelines

- Ensure that all tools and equipment used with this product are in good working condition.
- Always wear appropriate personal protective equipment (PPE) when using this product, including safety goggles, gloves, and a dust mask.
- Keep the work area clean and welllit to avoid accidents.
- Do not use the product for unintended purposes.
- Store the product in a dry and secure location, out of reach of children and pets.
- Be aware of your surroundings and avoid distractions while working.

Specific Safety Precautions for Use

- Read and understand the instructions before use.
- Inspect the cloth roll for any damage before each use. Do not use if damaged.
- Use the product only on materials for which it is designed.
- Avoid using excessive pressure while sanding or polishing to prevent tearing or shredding of the cloth.
- Do not exceed the recommended speed limits of your power tools when using this product.
- In case of skin irritation, discontinue use and seek medical advice.

Instructions for Installation and Usage

1. Preparation:

- Ensure the work surface is clean and free from debris.
- Gather all necessary tools and PPE.

2. Installation:

- Attach the METALITE CLOTH ROLL to the appropriate tool (e.g., sanding machine) according to the manufacturer's instructions.
- Ensure that the cloth roll is securely fastened and aligned properly.

3. Usage:

- Begin sanding or polishing at a low speed to test the material.
- Gradually increase the speed as needed, maintaining control of the tool.
- Move the cloth roll in a consistent motion across the surface to achieve an even finish.
- Regularly check the cloth for wear and replace as necessary.

4. PostUse:

- Turn off and unplug the tool before removing the cloth roll.
- Clean the work area and dispose of any debris properly.

Disposal Instructions

- Dispose of used METALITE CLOTH ROLLS in accordance with local regulations.
- Do not dispose of the product in household waste. Check for specific disposal guidelines for abrasive materials in your area.

Contact Information for Further Support

For any safety inquiries or additional support regarding this product, please refer to the contact information provided on the packaging or the manufacturer's website.

Conclusion

By following these safety instructions, you will help ensure a safe working environment while using the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL. Always prioritize safety and adhere to the guidelines outlined in this document. Thank you for your attention to these important safety measures.
