## METALITE CLOTH ROLL Safety Instructions

### Introduction

Thank you for choosing the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL. This product is designed for metalworking professionals and hobbyists for a variety of sanding and polishing tasks. To ensure safe and effective use, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Always use personal protective equipment (PPE) such as safety goggles, gloves, and a dust mask when using this product.
- Ensure that the workspace is wellventilated to avoid inhalation of dust and debris.
- Keep the product out of reach of children and pets.
- Inspect the cloth roll for any signs of damage before use. Do not use damaged products.
- Follow all local regulations regarding the disposal of sanding materials and waste.

### Specific Safety Precautions for Use

- Use the METALITE CLOTH ROLL only for its intended purpose: sanding and polishing hard or ferrous metals.
- Avoid using the cloth roll on materials that may cause excessive wear or damage to the product.
- Do not apply excessive pressure while sanding; let the cloth roll do the work to prevent overheating and damage.
- Do not use the product near open flames or in explosive atmospheres.
- Be cautious of sharp edges and surfaces when sanding to avoid injury.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the work area is clean and free of clutter.
- Gather necessary tools and PPE before starting.

#### 2. Using the Cloth Roll:

- Cut the cloth roll to the desired length if necessary. The roll is 50 yards long and can be trimmed to fit your needs.
- Attach the cloth roll to your sanding tool or use it manually as needed.
- Start sanding with light pressure, gradually increasing as needed. Ensure the roll flexes to follow the contours of the material being worked on.

#### 3. PostUse Care:

- After use, clean the work area and dispose of any debris safely.
- Store the cloth roll in a cool, dry place away from direct sunlight and moisture.

### Disposal Instructions

- Dispose of used sanding materials in accordance with local waste disposal regulations.
- Do not dispose of the cloth roll in regular household waste if it contains hazardous materials. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL, please reach out to your local distributor or manufacturer. Ensure you have the product details and any relevant information ready for a prompt response.

By following these safety guidelines, you can ensure a safe and effective experience with the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL. Thank you for prioritizing safety in your metalworking projects.
