# METALITE CLOTH ROLLS NORTON EZ METALITE CLOTH ROLL Safety Instructions

## Introduction

Thank you for choosing the METALITE CLOTH ROLLS NORTON EZ METALITE CLOTH ROLL. This product is designed for metalworking professionals and hobbyists alike, providing superior performance in sanding and polishing hard or ferrous metals. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure the workspace is wellventilated to prevent inhalation of dust particles.
- Wear appropriate personal protective equipment (PPE) such as safety goggles, gloves, and a dust mask.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any wear and tear on the cloth roll before use.
- If you notice any damage, discontinue use immediately and replace the product.

## Specific Safety Precautions for Use

- **Avoid Flammable Materials:** Do not use near flammable materials or in explosive atmospheres.
- **Skin Protection:** Prolonged contact with the cloth may cause skin irritation. Wear gloves if necessary.
- **Dust Control:** Use a dust extraction system or wear a dust mask to minimize inhalation of dust created during sanding.
- **Proper Handling:** Handle the cloth roll with care to avoid cuts or abrasions from the edges.
- **Equipment Compatibility:** Ensure that the cloth roll is compatible with your sanding or polishing equipment before use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your workspace is clean and free of any unnecessary items.
- Gather all necessary tools and equipment before starting.

### 2. Installation:

- Unroll the cloth roll carefully, ensuring it does not tangle.
- Attach the cloth roll to your sanding or polishing tool following the manufacturer's instructions for your specific tool.
- Ensure the cloth is securely fastened to avoid slippage during use.

### 3. Usage:

- Start the tool at a low speed to test the cloth roll's attachment.
- Gradually increase the speed as needed for your sanding or polishing task.
- Apply even pressure while sanding to ensure consistent results and to prevent premature wear of the cloth roll.
- Do not force the tool; allow it to do the work to avoid damaging the cloth or the material being worked on.

### 4. PostUse:

- Turn off the tool and unplug it before removing the cloth roll.
- Inspect the cloth roll for any signs of wear or damage.
- Store the cloth roll in a cool, dry place away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of any worn or damaged cloth rolls in accordance with local regulations.
- Do not dispose of the cloth in fire as it may release harmful fumes.
- Consider recycling options where available to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the METALITE CLOTH ROLLS NORTON EZ METALITE CLOTH ROLL, please contact the manufacturer or your local distributor. Ensure that you have the product details available for reference.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and effective experience with the METALITE CLOTH ROLLS NORTON EZ METALITE CLOTH ROLL.
