# DURITE WATERPROOF SAND PAPER NORTON 320 GRIT Safety Instruction Guide

## Introduction

Thank you for choosing the DURITE WATERPROOF SAND PAPER NORTON 320 GRIT. This product is specifically designed for wet sanding of wood finishes and for use on steel surfaces. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure proper ventilation when using sandpaper, especially in enclosed spaces.
- Keep sandpaper out of reach of children and pets to prevent accidental injury.
- Regularly inspect the sandpaper for damage before use. Do not use if it is torn or degraded.
- Use appropriate personal protective equipment (PPE) such as gloves and safety goggles to protect against dust and debris.
- Avoid using the sandpaper near open flames or sources of ignition.

## Specific Safety Precautions for Use

- When wet sanding, ensure that the work area is not slippery to prevent falls.
- Use water to dampen the surface and the sandpaper to minimize dust and reduce the risk of inhalation.
- Do not apply excessive pressure while sanding; let the sandpaper do the work to avoid injury and damage to the surface.
- If you experience any irritation or discomfort while using the product, discontinue use immediately and consult a medical professional if necessary.
- Dispose of any used sandpaper responsibly, following local waste disposal regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the surface to be sanded is clean and free from debris.
- Gather all necessary tools and safety equipment before starting.

### 2. Using the Sandpaper:

- For wet sanding:
  - Dampen the surface and the sandpaper with water.
  - Gently rub the sandpaper against the surface in a circular motion.
- For dry sanding:
  - Ensure the surface is clean and dry.
  - Sand the surface using light to moderate pressure, moving in the direction of the grain.

### 3. Post Use:

- Clean the work area of any dust or debris.
- Store the sandpaper in a cool, dry place away from direct sunlight.

## Disposal Instructions

- Dispose of used sandpaper in accordance with local regulations.
- Do not dispose of sandpaper in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**
