# DOUBLE ULTRAFINE 1200 GRIT WET OR DRY SAND PAPER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the DOUBLE ULTRAFINE 1200 GRIT WET OR DRY SAND PAPER by NORTON. This product is designed for achieving highshine finishes and is suitable for both wet and dry applications. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product in a wellventilated area to avoid inhaling dust.
- Wear appropriate personal protective equipment (PPE) including gloves, goggles, and a dust mask to minimize exposure to dust and debris.
- Keep the product out of reach of children and vulnerable individuals.
- Avoid using the sandpaper near open flames or high heat sources.
- Do not use the product for purposes other than intended.

## Specific Safety Precautions for Use

- Ensure the surface to be sanded is clean and free of any contaminants before use.
- Test the sandpaper on a small, inconspicuous area of the material to ensure compatibility.
- Do not apply excessive pressure while sanding; let the sandpaper do the work.
- If using water for wet sanding, ensure that the electrical equipment in the area is safe from water exposure.
- Dispose of used sandpaper properly to avoid cuts or injuries from sharp edges.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials including the sandpaper, a sanding block (if applicable), and any additional tools.
- Ensure your workspace is clean and organized.

### 2. Using the Sandpaper:

- For dry sanding:
  - Hold the sandpaper firmly and sand the surface in a backandforth motion.
  - Periodically check the surface to avoid oversanding.
- For wet sanding:
  - Soak the sandpaper in water for a few minutes before use.
  - Sand the surface using light pressure and keep the area wet to minimize dust.
  - Rinse the sandpaper frequently to maintain its effectiveness.

### 3. PostUse:

- Clean the workspace and remove any dust or debris.
- Inspect the sandpaper for wear and replace it as necessary.

## **Disposal Instructions**

- Dispose of used sandpaper in accordance with local regulations for waste disposal.
- Do not burn the sandpaper as it may release harmful substances.

## **Contact Information for Further Support**

For any safety inquiries regarding the DOUBLE ULTRAFINE 1200 GRIT WET OR DRY SAND PAPER, please contact your local distributor or manufacturer. You can also refer to the EU's Safety Gate platform for updates on product recalls and safety information.

Thank you for your attention to these safety instructions. Enjoy using your DOUBLE ULTRAFINE 1200 GRIT WET OR DRY SAND PAPER safely and effectively!
