## Introduction

Thank you for choosing the NORTON PREMIUM HARD ARKANSAS STONES. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before using the stones.

## General Safety Guidelines

- Always handle the stones with care to avoid injury.
- Keep the stones out of reach of children and vulnerable individuals.
- Inspect the stones before use for any visible defects or damage.
- Use the stones only for their intended purpose as described in the product specifications.
- Store the stones in a dry place to prevent any deterioration.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses to protect your eyes from any potential debris.
- Ensure your working area is clean and free from distractions.
- Avoid using excessive force when sharpening tools to prevent accidents.
- Do not use the stones on materials for which they are not designed.
- Be cautious of sharp edges on tools after sharpening; handle with care.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the working surface is stable and clean.
- Gather all necessary tools and materials before starting.

### 2. Using the Stones:

- Hold the stone securely with one hand while using it with the other.
- Apply light, even pressure when sharpening tools.
- Move the tool across the stone in a consistent motion, maintaining the desired angle.
- Clean the stone periodically to remove metal filings and maintain its effectiveness.

### 3. PostUse Care:

- After use, clean the stones with a damp cloth to remove any debris.
- Dry the stones thoroughly before storing them to prevent moisture damage.

## Disposal Instructions

- Dispose of any damaged stones in accordance with local waste disposal regulations.
- Do not throw the stones in regular household waste if they are broken; check for special disposal guidelines in your area.
