

# MAUSER 98 SINGLE SET ADJUSTABLE TRIGGER - M98 SINGLE SET ADJUSTABLE TRIGGER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Works In Conventional Or Set Trigger Mode

Self-contained, dual-mode trigger module upgrades a Mauser 98 to a highly adjustable conventional trigger with a 2 to 4½ lb. pull weight or, when you press the shoe forward, to an ultra-light, clean-breaking 4 oz. set trigger. Pull weight, sear engagement, pre-travel, and overtravel are fully adjustable by turning Allen head screws and then locking the settings by tightening the brass locking screws. Wide, grooved, deeply curved trigger shoe gives excellent sensitivity and control. The entire trigger unit secures to the receiver with a steel bolt and nut for more stability than the original push pin. Gunsmith installation recommended.

## Attributes

- Name: [M98 SINGLE SET ADJUSTABLE TRIGGER](#)
- Manufacturer: [NECG](#)
- Product no.: 661000065
- Mfr. No.: R-417
- Make: Mauser
- Model: 98
- Style: Adjustable
- Delivery weight: 0.113kg
- Shipping height: 18mm
- Shipping width: 112mm
- Shipping length: 157mm

# MAUSER 98 SINGLE SET ADJUSTABLE TRIGGER

## Safety Instruction Guide

### Introduction

Thank you for choosing the MAUSER 98 SINGLE SET ADJUSTABLE TRIGGER. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your trigger module. Please read this document carefully before installation and use.

### General Safety Guidelines

- Ensure that the trigger module is installed by a qualified gunsmith to avoid risks associated with improper installation.
- Always handle firearms with care and follow standard safety practices.
- Keep the trigger module and all firearms out of reach of children and unauthorized individuals.
- Regularly inspect the trigger for any signs of wear or damage.
- Be aware of your local laws and regulations regarding firearm modifications.

### Specific Safety Precautions for Use

- **Product Safety:** This trigger module is designed for the Mauser 98 rifle only. Do not attempt to install it on any other firearm.
- **Pull Weight Adjustments:** Adjust the pull weight between 2 to 4½ lbs. and the ultralight set trigger at 4 oz. according to your preference. Ensure that adjustments are securely locked in place to prevent accidental discharge.
- **Sear Engagement:** Regularly check the sear engagement settings. Incorrect settings can lead to unintentional firing.
- **Trigger Guard Slot:** Ensure that the trigger guard slot is properly inletted to avoid interference with the trigger's operation.
- **Installation:** Follow the installation instructions carefully. If unsure, consult a professional gunsmith.
- **Storage:** Store the firearm in a secure location when not in use, ensuring that the trigger module is not exposed to moisture or extreme temperatures.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure you have the necessary tools, including Allen wrenches for adjustments.
- Have your Mauser 98 rifle and the trigger module ready.

#### 2. Installation:

- Remove the original trigger from the Mauser 98 rifle.
- Inlet the stock and trigger guard slot if necessary for proper fit.
- Secure the new trigger unit to the receiver using the provided steel bolt and nut.
- Adjust the pull weight, sear engagement, pretravel, and overtravel by turning the Allen head screws.
- Lock the adjustments in place by tightening the brass locking screws.

#### 3. Usage:

- Test the trigger function in a safe environment before taking the firearm to the range.
- Adjust the trigger settings as necessary to suit your shooting style.

- Always follow firearm safety rules when handling and using your rifle.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly by recycling where possible.
- If the trigger module is damaged beyond repair, consult local regulations for the proper disposal of firearm components.

## **Contact Information for Further Support**

For any questions or concerns regarding the MAUSER 98 SINGLE SET ADJUSTABLE TRIGGER, please consult a qualified gunsmith or refer to the manufacturer's website for additional resources.

By following these guidelines, you can ensure the safe and effective use of your MAUSER 98 SINGLE SET ADJUSTABLE TRIGGER. Always prioritize safety and responsible firearm handling.
