## Mammoth Tusk For Look Of A Traditional Ivory Bead

This meticulously crafted front bead is made from genuine Mammoth ivory to give a fine shotgun the look of traditional elephant ivory, without violating international trade restrictions. Practical, too, because it gives a clean, easy-to-see, glare-free, white dot in all light conditions.

# SHOTGUN SIGHT BEAD NECG 4MM IVORY SIGHT BEAD Safety Instructions

## Introduction

Thank you for choosing the SHOTGUN SIGHT BEAD NECG 4MM IVORY SIGHT BEAD. This product has been meticulously crafted to enhance your shooting experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully to ensure proper use and maintenance of this product.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting the sight bead.
- Use the sight bead only on compatible shotgun models as specified by the manufacturer.
- Inspect the sight bead regularly for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Handle the sight bead with care to avoid damaging it or causing injury.
- Ensure that the installation area is clean and free from debris to prevent contamination.
- Use appropriate tools and materials (e.g., epoxy adhesive) as specified in the installation instructions.
- Avoid using the sight bead in extreme weather conditions that may affect visibility or performance.
- Do not modify the sight bead in any way, as this may compromise safety and functionality.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather the necessary tools: epoxy adhesive, a clean cloth, and a small screwdriver.
- Ensure that the shotgun is unloaded and pointed in a safe direction.

### 2. Installation:

- Clean the area where the sight bead will be installed to ensure a secure bond.
- Apply epoxy adhesive to the undersized 648 thread of the sight bead.
- Carefully screw the sight bead into the designated hole on the shotgun.
- Allow the adhesive to cure as per the manufacturer's instructions before using the shotgun.

### 3. Usage:

- Aim your shotgun using the ivory sight bead as a reference point.
- Maintain a proper shooting stance and ensure your target is clear before firing.
- Regularly check the alignment and condition of the sight bead during use.

## Disposal Instructions

- When disposing of the sight bead, follow local regulations for the disposal of nonfood products.
- If the sight bead is damaged or no longer in use, consider recycling materials where possible.
- Do not dispose of the sight bead in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided on the packaging or the product's official website.
