# Safety Instruction Guide for RIFLE MODEL MRX REAR SIGHT

## Introduction

Thank you for purchasing the RIFLE MODEL MRX REAR SIGHT by NECG. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your rear sight. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always handle firearms and accessories with care and responsibility.
- Ensure that the firearm is unloaded before installing or adjusting the rear sight.
- Use the rear sight only with compatible rifles as specified by the manufacturer.
- Keep the rear sight and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the rear sight for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- Ensure proper eye and ear protection when using firearms equipped with the rear sight.
- Do not attempt to adjust the rear sight while the firearm is loaded or in a potentially dangerous position.
- Avoid using the rear sight in adverse weather conditions that may affect visibility and safety.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- If you notice any malfunction or unusual behavior while using the rear sight, stop using it immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing rear sight if applicable.
- Align the RIFLE MODEL MRX REAR SIGHT with the mounting area on the rifle.
- Secure the rear sight using the provided screws (836 screw), ensuring it is firmly attached.
- Check for proper alignment and make adjustments as necessary.

### 2. Usage Instructions:

- To adjust the rear sight for windage and elevation, use the notched, "V"style blade.
- Make small adjustments and test the sighting after each change to ensure accuracy.
- Regularly check the tightness of the screws to maintain stability during use.

## Disposal Instructions

- Dispose of the rear sight responsibly at a designated waste facility in accordance with local regulations.
- Do not dispose of the rear sight in household waste.
- If the rear sight is irreparably damaged, ensure it is rendered unusable before disposal.

## Contact Information for Further Support

- For any safety inquiries or concerns regarding the RIFLE MODEL MRX REAR SIGHT, please refer to the

manufacturer's contact information included with your product packaging.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your RIFLE MODEL MRX REAR SIGHT. Remember to stay informed about safety practices and report any unsafe products or incidents to the relevant authorities. Thank you for prioritizing safety in your shooting activities.
