Safety Instruction Guide for 1911 Front Gold Bead Dovetail Sight

Introduction

Thank you for choosing the 1911 Front Gold Bead Dovetail Sight by Novak. This guide provides important safety information, installation instructions, and general usage guidelines to ensure safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Inspect the sight for any visible damage before installation. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow the installation instructions to prevent accidents or injuries.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for updates on recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The sight is designed for the 1911 Government model. Verify compatibility before use.
- Avoid using excessive force during installation to prevent damage to the sight or firearm.
- Ensure the firearm is unloaded before attempting to install or adjust the sight.
- Use the proper tools as specified in the installation instructions to avoid injury.
- Do not modify the sight or firearm in ways that could compromise safety.
- Be aware of your surroundings when handling firearms equipped with this sight.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: a 65° x .330" dovetail cutter and a roll pin punch.
- Ensure your workspace is clean and welllit.

2. Installation:

- Ensure the firearm is completely unloaded.
- Use the dovetail cutter to cut the proper Novak dovetail in the slide of the firearm.
- Insert the sight into the dovetail cut.
- Use the roll pin punch to insert the roll pin in front of the sight to stake it in place.
- Check that the sight is secure and properly aligned before use.

3. Usage:

- When using the firearm, ensure that you are in a safe environment.
- Regularly check the sight for stability and alignment during use.
- If you notice any issues with the sight, cease use immediately and consult a professional.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of in household waste. Check for local recycling programs for metal products.
- Ensure that all components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any inquiries regarding safety or product information, please consult the manufacturer's website or contact customer support directly. Always refer to the EU's Safety Gate platform for the latest information on product recalls and safety alerts.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
