

1911 FIBER OPTIC REAR SIGHTS - NOVAK FIBER OPTIC LO-MOUNT REAR SIGHT, RED, FITS COLT 1911

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

Maximizes Available Light For Fast, Low-Light Sight Acquisition

Advanced light gathering properties of fiber optic rods make maximum use of ambient light to provide a bright glow that stands out against dark backgrounds and puts you on target fast, even in low-light or high-stress situations. Fronts and rears sold separately, so you can create a custom, three-dot, fiber optic system tailored to your shooting needs. Available with red or green inserts. Lo-Mount rear sights have radiused edges that won't snag on holster or clothing. Colt rear sight fits Government model; requires milling, installation instructions included.

Safety Instruction Guide for 1911 Fiber Optic Rear Sights

Introduction

Thank you for choosing the 1911 Fiber Optic Rear Sights by Novak. This guide provides essential safety information and instructions for the proper installation and use of your new rear sights. Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting any sights.
- Use the sights only for their intended purpose. They are designed for use on 1911 models, including the Government, Commander, and Officers models.
- Inspect the sights regularly for any signs of damage or wear. Do not use if damaged.
- Keep the sights and your firearm out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories and usage.

Specific Safety Precautions for Use

- Ensure the firearm is secure and stable while making adjustments to the sights.
- Avoid using the sights in extreme conditions, such as heavy rain or mud, which may impair visibility.
- Use caution when handling tools during installation to prevent injury.
- If you experience any difficulty during installation or use, stop and seek assistance.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare Your Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Rear Sight:** If applicable, carefully remove the existing rear sight using appropriate tools.
3. **Align the New Rear Sight:** Position the Novak rear sight onto the dovetail of the firearm. Ensure it is aligned correctly.
4. **Secure the Rear Sight:** Use a sight pusher or hammer to gently tap the sight into place. Ensure it is snug but do not overtighten, as this may cause damage.
5. **Check Alignment:** After installation, check the alignment of the sight to ensure it is straight and level.
6. **Test Functionality:** Once installed, test the sight for proper function before using the firearm.

Usage Instructions

- Aim using the fiber optic sights in lowlight or highstress situations for enhanced visibility.
- Adjust your stance and grip to ensure optimal use of the sights.
- Practice regularly to become familiar with the sight picture and improve accuracy.

Disposal Instructions

- Follow local regulations for the disposal of firearm accessories.
- If the product is damaged beyond use, consider recycling materials where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Fiber Optic Rear Sights, please refer to your retailer or the manufacturer's website for support.

Thank you for prioritizing safety and compliance with the guidelines outlined in this document. Enjoy your shooting experience with the 1911 Fiber Optic Rear Sights.
