

# FIBER OPTIC FRONT SIGHT GREEN - NOVAK FIBER OPTIC FRONT SIGHT, GREEN, .180" HIGH, FITS COLT 1911

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Advanced light gathering properties of fiber optic rods make maximum use of ambient light to provide a bright glow that stands out against dark backgrounds and puts you on target fast, even in low-light or high-stress situations. Fronts and rears sold separately, so you can create a custom, three-dot, fiber optic system tailored to your shooting needs. Available with red inserts. Front sight can also be used with Novak's plain, wide-notch rear.

# **Safety Instruction Guide for FIBER OPTIC FRONT SIGHT GREEN NOVAK FIBER OPTIC FRONT SIGHT, GREEN, .180" HIGH, FITS COLT 1911**

## **Introduction**

Thank you for choosing the FIBER OPTIC FRONT SIGHT GREEN NOVAK FIBER OPTIC FRONT SIGHT. This product is designed to enhance your shooting experience by utilizing advanced fiber optic technology. It is essential to follow safety guidelines to ensure safe and effective use. This guide is in compliance with the EU General Product Safety Regulation (GPSR) and provides important safety instructions and information.

## **General Safety Guidelines**

- Ensure safe use of the fiber optic front sight by following the instructions provided in this manual.
- Be aware of potential hazards associated with the use of firearms and accessories.
- Use the product only for its intended purpose and in accordance with the manufacturer's specifications.
- Always handle firearms responsibly and with care.
- If you are unsure about any aspect of the product or its use, seek advice from a qualified professional.

## **Specific Safety Precautions for Use**

- Always keep the firearm pointed in a safe direction.
- Ensure the firearm is unloaded when installing or adjusting the front sight.
- Use eye protection when shooting.
- Be mindful of your surroundings and ensure a safe shooting environment.
- Store the product in a safe place, away from children and unauthorized users.
- Check local laws and regulations regarding the use of fiber optic sights on firearms.

## **Instructions for Installation and Usage**

### **1. Installation of the Front Sight:**

- Ensure the firearm is unloaded.
- Use appropriate tools to remove the existing front sight.
- Align the Novak fiber optic front sight with the dovetail cut on the slide.
- Securely install the front sight using the appropriate screws or pins.
- Confirm that the sight is properly aligned and secured.

### **2. Usage:**

- Familiarize yourself with the sighting system before shooting.
- Practice in different lighting conditions to understand how the fiber optic technology enhances visibility.
- Adjust your shooting stance and grip to accommodate the new sight for optimal performance.

### **3. Maintenance:**

- Regularly inspect the front sight for any signs of wear or damage.
- Clean the sight using a soft cloth to maintain clarity and performance.
- Replace the sight if it becomes damaged or does not perform as expected.

## **Disposal Instructions**

- Dispose of the product in accordance with local waste disposal regulations.
- Do not throw the product in regular household waste.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with your product packaging or on the official website.

By following these guidelines, you can ensure a safe and enjoyable experience with your FIBER OPTIC FRONT SIGHT. Always remember that safety is paramount when handling firearms and accessories. Thank you for your attention to these important safety instructions.
