

# FIBER OPTIC REAR SIGHTS for GLOCK® - NOVAK .060" REAR SIGHT, RED

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

## Steel Replacement Sights For All Light Conditions

Precision machined, snag-free, steel rear fiber optic sights enable you to find the target quickly in all types of light conditions. Rear sights are CNC machined to fit the factory dovetail and include a setscrew; machined light channels provide optimum ambient light gathering. Available with .060" diameter light inserts. Edges are dehorned and rounded to prevent drag on holsters or clothing. Available in red or green.

# Safety Instruction Guide for FIBER OPTIC REAR SIGHTS for GLOCK® NOVAK .060" REAR SIGHT, RED

## Introduction

Thank you for choosing the FIBER OPTIC REAR SIGHTS for GLOCK® NOVAK. This product is designed to enhance your shooting experience by providing precision and clarity in various lighting conditions. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and accessories securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm usage and modifications.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the FIBER OPTIC REAR SIGHTS are compatible with your specific model of GLOCK® before installation.
- Use caution when handling tools during installation to avoid personal injury.
- Avoid exposing the sights to extreme temperatures or harsh chemicals, as this may affect performance.
- Do not attempt to modify the sights in any way that is not recommended by the manufacturer.
- Always wear appropriate eye protection when using firearms.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing rear sight using appropriate tools.
- Align the FIBER OPTIC REAR SIGHTS with the factory dovetail.
- Secure the sights in place using the included setscrew.
- Check that the sights are firmly attached and properly aligned.

### 2. Usage

- Familiarize yourself with the sight picture and how the fiber optic inserts enhance visibility.
- Practice aiming in various lighting conditions to understand how the sights perform.
- Regularly clean the sights to maintain optimal performance and visibility.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and firearms accessories.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, and usage of the FIBER OPTIC REAR SIGHTS, please refer to the manufacturer's contact information provided with your purchase.

By following these guidelines, you can ensure a safer shooting experience while enjoying the benefits of your new FIBER OPTIC REAR SIGHTS. Thank you for your attention to safety.
