

# 1911 FIBER OPTIC REAR SIGHTS - NOVAK FIBER OPTIC LO-MOUNT REAR SIGHT, GREEN, FITS TAURUS 1911

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

## Maximizes Available Light For Fast, Low-Light Sight Acquisition

Advanced light gathering properties of fiber optic rods make maximum use of ambient light to provide a bright glow that stands out against dark backgrounds and puts you on target fast, even in low-light or high-stress situations. Fronts and rears sold separately, so you can create a custom, three-dot, fiber optic system tailored to your shooting needs. Available with red or green inserts. Lo-Mount rear sights have radiused edges that won't snag on holster or clothing. Colt rear sight fits Government model; requires milling, installation instructions included.

# Consumer Safety Instruction Guide for 1911 Fiber Optic Rear Sights

## Introduction

Thank you for choosing the 1911 Fiber Optic Rear Sights by NOVAK. This guide provides important safety information, installation instructions, and usage guidelines to ensure your safety and satisfaction while using this product. Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** Ensure the safe use of this rear sight by following all instructions provided in this guide. This product is designed for use with specific models of 1911 pistols and should not be used with other firearms.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive any notices regarding this product, please follow the instructions provided for returns or exchanges.
- **Online Shopping:** When purchasing online, ensure that the retailer meets all necessary safety requirements. Verify the product details before completing your purchase.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Be aware of updates on unsafe products via the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Installation:** Ensure that you have the proper tools and knowledge for installation. If you are unsure, seek assistance from a qualified gunsmith.
- **Compatibility:** Verify that the rear sight is compatible with your specific 1911 model (Government, Commander, Officers) before installation.
- **Inspection:** Regularly inspect the rear sight for any signs of wear or damage. Do not use if any parts are broken or compromised.
- **Shooting Environment:** Be aware of your shooting environment. Avoid using this product in conditions that may impair your ability to aim accurately.
- **Handling:** Always treat your firearm as if it is loaded. Follow all firearm safety rules at all times.

## Instructions for Installation and Usage

1. **Preparation:** Gather the necessary tools for installation, including screwdrivers and possibly milling tools if required.
2. **Remove Existing Sight:** Carefully remove the existing rear sight from your firearm. Follow the manufacturer's instructions for your specific model.
3. **Fit the New Sight:** Place the NOVAK Fiber Optic Rear Sight into the dovetail of your firearm. Ensure it is aligned correctly.
4. **Secure the Sight:** If required, secure the sight using screws provided. Ensure they are tightened adequately but do not overtighten, as this may damage the sight or firearm.
5. **Test the Fit:** Check the fit of the sight by aiming at a target to ensure proper alignment and visibility.
6. **Final Inspection:** After installation, inspect the sight to ensure it is secure and functioning correctly.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product responsibly. Do not throw it in regular household waste.

- **Recycling:** If possible, recycle the product according to local regulations. Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 Fiber Optic Rear Sights, please refer to the manufacturer's contact information included with your product packaging.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using your new rear sights responsibly and effectively.
