

1911 FIBER OPTIC REAR SIGHTS - NOVAK FIBER OPTIC LO-MOUNT REAR SIGHT, GREEN, FITS KIMBER 1911

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

Maximizes Available Light For Fast, Low-Light Sight Acquisition

Advanced light gathering properties of fiber optic rods make maximum use of ambient light to provide a bright glow that stands out against dark backgrounds and puts you on target fast, even in low-light or high-stress situations. Fronts and rears sold separately, so you can create a custom, three-dot, fiber optic system tailored to your shooting needs. Available with red or green inserts. Lo-Mount rear sights have radiused edges that won't snag on holster or clothing. Colt rear sight fits Government model; requires milling, installation instructions included.

Safety Instruction Guide for 1911 Fiber Optic Rear Sights

Introduction

Thank you for choosing the 1911 Fiber Optic Rear Sights by Novak. This guide provides essential safety information and instructions for the proper use and maintenance of your new rear sight. Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** Ensure that the rear sight is compatible with your firearm model. Use only with approved models (Government, Commander, Officers) to avoid accidents.
- **Enhanced Recalls:** Stay informed about product recalls. Check official announcements for any safety notices related to this product.
- **Online Shopping:** If purchased online, ensure the seller complies with EU safety regulations. Verify that you are buying from a reputable source.
- **Special Consumer Focus:** Keep this product out of reach of children. It is designed for adult use only.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Compatibility:** Verify that the sight fits your specific model of Kimber 1911. Consult the specifications to ensure proper fit.
- **Installation:** Follow installation instructions precisely to prevent misalignment or improper fitting, which could lead to accidents.
- **Handling:** Always treat your firearm as if it is loaded. Follow all standard firearm safety practices.
- **Inspection:** Regularly inspect the sight for any signs of wear or damage. Do not use if the sight is compromised.
- **Fitting:** Minor fitting may be required for some models. Ensure that any modifications are done carefully and do not compromise the integrity of the sight.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a gunsmithing screwdriver.

2. Installation Steps:

- Remove the existing rear sight from your Kimber 1911 using the appropriate tools.
- Align the Novak Fiber Optic Rear Sight with the dovetail of your firearm.
- Gently tap the sight into place using a nonmarring tool to avoid damage.
- Ensure that the sight is level and properly aligned.

3. Usage:

- Once installed, test the sight by aiming at a target to ensure visibility and alignment.
- Adjust your shooting technique to accommodate the new sight if necessary.

4. **PostInstallation Check:**

- After installation, perform a function check of the firearm to ensure everything operates correctly.
- Recheck the sight alignment before live firing.

Disposal Instructions

- **Disposal:** When disposing of this product, follow local regulations regarding firearm accessories and materials.
- **Environmental Considerations:** Do not dispose of in regular household waste. Check with local authorities for proper disposal methods to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Fiber Optic Rear Sights, please refer to the contact information provided by your retailer or visit the manufacturer's website for support.

Thank you for your attention to these safety guidelines. Your safety and the proper functioning of your firearm are our highest priorities.
