

# FIBER OPTIC FRONT SIGHTS RED - NOVAK FIBER OPTIC FRONT SIGHT, RED, .175" HIGH, FITS KIMBER 1911

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

## Maximizes Available Light For Fast, Low-Light Sight Acquisition

Advanced light gathering properties of fiber optic rods make maximum use of ambient light to provide a bright glow that stands out against dark backgrounds and puts you on target fast, even in low-light or high-stress situations. Fronts and rears sold separately, so you can create a custom, three-dot, fiber optic system tailored to your shooting needs. Available with red or green inserts. Front sight can also be used with Novak's plain, wide-notch rear. Kimber and Taurus front sights are the same height as factory sights and fit factory dovetails; no machining required.

## Attributes

- Name: [NOVAK FIBER OPTIC FRONT SIGHT, RED, .175" HIGH, FITS KIMBER 1911](#)
- Manufacturer: [NOVAK](#)
- Product no.: 662000091

# FIBER OPTIC FRONT SIGHTS RED NOVAK FIBER OPTIC FRONT SIGHT Safety Instructions

## Introduction

Thank you for choosing the FIBER OPTIC FRONT SIGHTS RED NOVAK FIBER OPTIC FRONT SIGHT. This guide provides essential safety information and instructions for the proper use and maintenance of your product. Please read this manual carefully to ensure safe and effective operation.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a front sight for firearms.
- Always treat firearms with respect and follow all safety protocols when handling, using, or maintaining them.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear before each use.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when using firearms equipped with this sight.
- Ensure that the firearm is unloaded when installing or adjusting the sight.
- Do not modify the sight or attempt to use it in any manner not specified in the product instructions.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use caution when shooting in lowlight or highstress situations, as visibility may be affected.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Firearm:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sight:** If applicable, carefully remove the existing front sight according to the manufacturer's instructions.
3. **Align the New Sight:** Position the FIBER OPTIC FRONT SIGHT in the factory dovetail.
4. **Secure the Sight:** Use a proper tool to secure the sight firmly in place. Ensure it is aligned correctly for optimal performance.
5. **Check Stability:** After installation, check that the sight is stable and does not move when pressure is applied.

### Usage

- Use the sight in conjunction with Novak's plain, widenotch rear sight for optimal performance.
- The sight is designed to gather ambient light and provide a bright glow; ensure it is clean for best visibility.
- When aiming, focus on the target while allowing the front sight to align naturally in your line of sight.
- Practice regularly to become accustomed to the sight's functionality and improve your shooting accuracy.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and optical waste.
- If the product is damaged or no longer needed, ensure it is disposed of safely to prevent harm to the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's website or contact the designated EUbased support center.
