

TAURUS 1911 X-MODEL TRITIUM FRONT SIGHTS - TRITIUM FRONT SIGHT FOR TAURUS 1911

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Clear, Fast Sight Picture In All Light Conditions; Low-Profile, No-Snag Shape

Low-profile, fixed sights for Taurus 1911 have Tritium inserts that glow in low light, so you can see the sights clearly under all conditions. Same height as original factory sights, and cut for drop-in fit to factory dovetails—no machining of slide required. Front sight has one dot. X-Model design with sloping top surface, rounded corners, and beveled edges that won't snag on clothing or holster—perfect for concealed-carry or tactical use. Purchase rear sight (sold separately) to give your pistol an advanced three-dot night sight system or mix with other Novak sights to create a sight system customized to your shooting needs.

TAURUS 1911 XMODEL TRITIUM FRONT SIGHT

Safety Instruction Guide

Introduction

Thank you for choosing the TAURUS 1911 XMODEL TRITIUM FRONT SIGHT. This guide provides essential safety instructions to ensure the safe use of your product. Please read this document carefully before installation and usage to minimize risks and ensure optimal performance.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the sight.
- Store the sight in a safe, dry place away from children and unauthorized users.
- Inspect the sight for any damage before installation. Do not use if damaged.
- Be aware of your local laws and regulations regarding firearm modifications and accessories.
- Seek professional assistance if you are unsure about any aspect of installation or use.

Specific Safety Precautions for Use

- The Tritium inserts are designed to glow in low light but do not rely solely on them for visibility in complete darkness.
- Ensure that the sight is properly aligned and secured to prevent any movement during use.
- Avoid using the firearm in situations where the sight could be subject to extreme forces or impacts.
- Regularly check the sight for signs of wear or damage, especially after extensive use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the original front sight from the Taurus 1911 using appropriate tools.
- Align the new TAURUS 1911 XMODEL TRITIUM FRONT SIGHT with the factory dovetail.
- Gently tap the sight into place using a nonmarring tool to avoid damage.
- Confirm that the sight is secure and properly aligned.

2. Usage:

- Practice with the sight in various lighting conditions to become familiar with its performance.
- Always use appropriate eye and ear protection when handling firearms.
- Maintain a safe distance from others when shooting.
- Regularly clean and maintain your firearm and sight to ensure longevity and performance.

Disposal Instructions

- Dispose of the sight in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not throw the sight in regular household waste.
- If the sight is damaged or no longer usable, contact local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or issues regarding the TAURUS 1911 XMODEL TRITIUM FRONT SIGHT, please refer to the

manufacturer's contact information provided with your product or visit their official website for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your TAURUS 1911 XMODEL TRITIUM FRONT SIGHT. Thank you for your attention to safety.
