

# 1911 NXT EXTENDED THUMB SAFETIES - NOVAK NXT SAFETY, STAINLESS

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

## Design Enhancements For Superior Performance; Standard & Ambidextrous Models

Novak takes the 1911 safety a step further with streamlined styling and several operating enhancements. A re-designed detent enables extremely positive engagement and helps hold the plunger tube against the frame to keep it from working loose. The right-hand paddle on the ambidextrous model is keyed and pinned to the shaft to prevent flex and eliminate the need for the grip to hold the right lever in place. It also permits a much slimmer paddle that works with any grip, including LaserGrips. Completely “carry beveled” with all sharp edges removed for shooter comfort and control.

## Attributes

- Name: [NOVAK NXT SAFETY, STAINLESS](#)

# Safety Instruction Guide for 1911 NXT Extended Thumb Safeties Novak NXT Safety, Stainless

## Introduction

Thank you for purchasing the 1911 NXT Extended Thumb Safeties Novak NXT Safety. This product is designed to enhance the safety and functionality of your 1911 firearm. It is important to read and understand this safety instruction guide to ensure safe usage and compliance with EU safety regulations.

## General Safety Guidelines

To ensure the safe use of the 1911 NXT Extended Thumb Safeties, please adhere to the following guidelines:

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition separately and securely to prevent unauthorized access.
- Regularly inspect the safety mechanism to ensure proper functionality.
- Be aware of your surroundings and ensure a clear line of sight before discharging the firearm.
- Follow all local laws and regulations regarding firearm usage and ownership.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

When using the 1911 NXT Extended Thumb Safeties, please observe these specific precautions:

- Ensure the firearm is unloaded before installing or adjusting the safety.
- Avoid using excessive force when operating the safety mechanism.
- Do not modify the safety or firearm in any way that could compromise safety.
- Always engage the safety when the firearm is not in use.
- If you experience any malfunction with the safety, cease use immediately and consult a qualified gunsmith.
- Keep the safety area clear of obstructions to prevent accidental disengagement.

## Instructions for Installation and Usage

To ensure proper installation and usage of the 1911 NXT Extended Thumb Safeties, follow these steps:

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, including a punch and hammer.

### 2. Installation:

- Remove the existing thumb safety from the firearm.
- Align the Novak NXT safety with the plunger tube and frame.
- Insert the safety into the appropriate slot, ensuring the righthand paddle is securely keyed and pinned.
- Use a punch to carefully secure the safety in place, ensuring no flex occurs.
- Test the safety mechanism to ensure it engages and disengages smoothly.

### 3. Usage:

- Familiarize yourself with the operation of the thumb safety.

- Practice engaging and disengaging the safety while the firearm is unloaded.
- Always ensure the safety is engaged when the firearm is not in active use.

## **Disposal Instructions**

When disposing of the 1911 NXT Extended Thumb Safeties, please follow these guidelines:

- Do not dispose of the safety in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods for firearm accessories.
- Ensure that any disposed items are rendered unusable to prevent unauthorized use.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 NXT Extended Thumb Safeties, please refer to the manufacturer's contact information provided with your product packaging. It is important to reach out to a qualified professional for any safety inquiries or installation assistance.

By following these guidelines, you can ensure the safe and effective use of your 1911 NXT Extended Thumb Safeties. Thank you for prioritizing safety and compliance with EU regulations.
