

# 1911 MEGA DOT FIBER OPTIC FRONT SIGHTS - NOVAK MEGA DOT FIBER OPTIC FRONT SIGHT GREEN

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

The Novak Mega Dot Fiber Optic Dovetail Front Sight fits a .330" x 65 degree x .075" Novak front sight dovetail cut. The fiber optic rod is larger for superior light gathering and added strength. The front of the sight is recessed and the sides are shielded to prevent damage to the fiber. The edges are beveled to be snag free and the brightness of the fiber gives a fast daytime sight picture for use with concealed carry. Works extremely well with the Novak Super wide notch rear sight. Installation instructions included. Available in green or red.

## Attributes

# Safety Instruction Guide for 1911 Mega Dot Fiber Optic Front Sights

## Introduction

Thank you for choosing the 1911 Mega Dot Fiber Optic Front Sight. This product is designed to enhance your shooting experience with improved visibility and accuracy. To ensure safe and effective use, please read this safety instruction guide carefully before installation and use.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the front sight.
- Keep the front sight and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the front sight for any signs of wear or damage.
- Use the front sight only with compatible firearms as specified in the product description.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- If you notice any unusual behavior or performance from your firearm after installation, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- The front sight is designed for use with the 1911 models: Government, Commander, and Officers. Ensure compatibility before installation.
- Avoid using excessive force during installation to prevent damage to the sight or firearm.
- Do not modify the front sight in any way, as this may compromise its safety and functionality.
- Be aware that the fiber optic rod may be damaged if subjected to extreme impacts or rough handling.
- Ensure that the sight is properly aligned and secured before using the firearm.

## Instructions for Installation and Usage

1. **Gather Required Tools:** You will need a sight pusher tool or a hammer and a punch for installation.
2. **Unload Your Firearm:** Ensure that the firearm is completely unloaded and pointed in a safe direction.
3. **Remove Existing Front Sight:**
  - Use the sight pusher tool or carefully tap the existing front sight out using a punch.
  - Take care to avoid damaging the dovetail cut.
4. **Install the Novak Mega Dot Fiber Optic Front Sight:**
  - Align the dovetail cut of the front sight with the dovetail slot on your firearm.
  - Gently press the sight into place using the sight pusher tool or a hammer and punch, ensuring it is flush with the slide.
5. **Check Alignment:**
  - Verify that the front sight is centered and aligned with the rear sight.
  - Adjust if necessary.
6. **Secure the Sight:**
  - Ensure that the sight is firmly in place and does not move when slight pressure is applied.
7. **Test the Installation:**
  - Before using the firearm, visually inspect the installation to confirm it is secure.
  - Perform a function check to ensure the firearm operates correctly.
8. **Use the Front Sight:**
  - The fiber optic rod will gather light for enhanced visibility during daytime shooting.
  - Practice aiming with the sight to become familiar with its use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations concerning electronic and nonelectronic waste.
- Do not dispose of the product in regular household waste.
- If the front sight becomes damaged or is no longer in use, consult local recycling facilities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the 1911 Mega Dot Fiber Optic Front Sight, please reach out to the manufacturer or your place of purchase for assistance. Ensure that you have your purchase details available for reference.

By following these safety instructions and guidelines, you can ensure the safe and effective use of your 1911 Mega Dot Fiber Optic Front Sight. Thank you for your attention to safety, and enjoy your enhanced shooting experience.
