### An Adjustable Sight with Enhanced Durability

The Novak LoMount® 1911 .495" x 65° rear dovetail cut sight provides the capability of screw adjustment for elevation and drift adjustment for windage. This design was purposefully engineered to greatly enhance the strength, durability, and reliability of the adjustable type sights. The Novak LoMount® 1911 .495" x 65° rear dovetail cut sight reduces the probability of failure due to component fragility and virtually eliminates fatigue by a state of the art design. Finish: Black Adjustable This new Novak LoMount® LMA series adjustable sight is a direct replacement for the current Novak LoMount 1911 fixed sight and it uses the same front sight height as its fixed counterpart. This simplifies changing to an adjustable sight by removing the need for a different height front sight to match up unlike all of today's current adjustable rear sights.

# LOMOUNT ADJUSTABLE PLAIN BLACK 1911 REAR SIGHT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Novak LoMount® Adjustable Plain Black 1911 Rear Sight. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use, install, and maintain your rear sight safely.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and the specific sight before use.
- Always treat every firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Use eye and ear protection when shooting.
- Never modify your firearm or sight without consulting a qualified gunsmith.
- Store your firearm and sight in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your sight and firearm for any signs of wear or damage.

## Specific Safety Precautions for Use

- The Novak LoMount® rear sight is designed for use with the 1911 firearm. Do not attempt to use it with other models without proper modifications.
- Ensure that the sight is properly adjusted before use to avoid misalignment.
- Avoid using excessive force when adjusting the sight. Follow the manufacturer's guidelines for adjustment.
- If you experience any issues with the sight, cease use immediately and consult a qualified professional.
- Be aware of the environmental conditions when using your firearm and sight, as extreme temperatures or humidity can affect performance.

## Instructions for Installation and Usage

### Installation

1. **Gather Necessary Tools:** You will need a screwdriver that fits the screws of the sight and any other tools recommended by the manufacturer.
2. **Remove Existing Sight:** Carefully remove the existing rear sight from your 1911 firearm, ensuring not to damage the dovetail cut.
3. **Clean the Dovetail:** Before installing the new sight, clean the dovetail cut to remove any debris or residue.
4. **Install the Novak LoMount® Rear Sight:**
  - Align the dovetail of the sight with the dovetail cut on your firearm.
  - Gently tap the sight into place using a nonmarring tool, ensuring it is seated evenly.
5. **Adjust the Sight:** Use the screw adjustment feature to set the elevation and windage as necessary.

### Usage

- Familiarize yourself with the adjustment features of the sight. The Novak LoMount® allows for both elevation and drift adjustments.
- Regularly check the sight for tightness and proper alignment during use.
- Keep the sight clean and free from obstructions for optimal performance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged or no longer usable, contact a local recycling center that accepts metal components.

## **Contact Information for Further Support**

For any questions or concerns regarding the Novak LoMount® Adjustable Plain Black 1911 Rear Sight, please refer to the manufacturer's contact information provided with your product packaging. Always ensure that you are following the latest safety guidelines and regulations.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Novak LoMount® Adjustable Plain Black 1911 Rear Sight. Thank you for prioritizing safety in your shooting activities.
