## LOMOUNT ADJUSTABLE TRITIUM BAR 1911 REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

### An Adjustable Sight with Enhanced Durability

The new Novak LoMount® .495" x 65° rear dovetail cut sight for your favorite 1911 provides optimum adjustment for elevation and windage. This new sight design is stronger and more reliable than previous models of Novak adjustable sights. The Novak LoMount® 1911 .495" x 65° rear dovetail cut sight has been redesigned to eliminate fatigue or failure. Finish: Black Adjustable Tritium Bar This new Novak LoMount® LMA series adjustable sight uses the same front sight height as its fixed counterpart. This simplifies changing to an adjustable sight by removing the need for a different height front sight to match today's current adjustable rear sights.

# Safety Instruction Guide for LOMOUNT Adjustable Tritium Bar 1911 Rear Sight

## Introduction

Thank you for choosing the LOMOUNT Adjustable Tritium Bar 1911 Rear Sight by NOVAK. This guide provides essential safety information and instructions to ensure the safe use and installation of your new sight. Please read this guide carefully before using the product.

## General Safety Guidelines

- The LOMOUNT Adjustable Tritium Bar 1911 Rear Sight is designed for use with 1911 handguns only. Ensure compatibility before installation.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Ensure that the firearm is unloaded before installing or adjusting the sight.
- Regularly inspect the sight for any signs of wear or damage. If any issues are found, cease use immediately.
- Keep the sight and all firearm components out of reach of children and unauthorized users.
- In case of any accidents or unsafe product experiences, report to local authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling firearms.
- Avoid using the sight in extreme weather conditions that may affect its performance.
- Do not attempt to modify the sight or use it in a manner other than intended.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation Instructions

- Ensure the firearm is unloaded.
- Remove the existing rear sight from the firearm using appropriate tools.
- Align the dovetail cut of the Novak LoMount sight with the rear dovetail of the firearm.
- Gently tap the sight into place using a sight pusher or a nonmarring tool to avoid damage.
- Once installed, ensure the sight is secure and properly aligned.

### 2. Adjustment Instructions

- The sight allows for adjustments in both elevation and windage.
- Use the provided adjustment tools to make necessary changes.
- Make small adjustments and test the sight before making further changes.
- Always refer to your firearm's manual for specific sighting instructions.

### 3. Usage Instructions

- Confirm that the sight is properly installed and secured before use.
- Regularly check the sight during use for any signs of movement or damage.
- Follow all standard safety practices when handling and shooting your firearm.

## **Disposal Instructions**

- Dispose of the sight and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the sight in regular household waste if it shows signs of damage or contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the LOMOUNT Adjustable Tritium Bar 1911 Rear Sight, please refer to the product packaging or visit the manufacturer's website for further assistance.

### **Note:**

This guide is designed to help you use the LOMOUNT Adjustable Tritium Bar 1911 Rear Sight safely and effectively. Always prioritize safety and follow all guidelines provided. Thank you for your attention and enjoy your new sight.
