

# 1911 WHITE DOT REAR SIGHTS - NOVAK WD 1911/COMP USES FRONT .185"-.200", REAR BLADE .735"X.425"

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

Competition (Comp) plain, target style, undercut blade with protected notch. Hangs over the rear of the slide and extends sight radius for quicker, more precise sighting. Lo-Mount (LM) has an angled top surface with mitered edges that won't snag on holsters or clothes. Rebated blade fights glare. Wide Notch (WN) has enlarged, .140" notch to provide more light around the front sight for a clearer sight picture and faster target acquisition. Super Wide Notch (SWN) has .170" wide notch for even faster target acquisition; helps aging eyes see the front sight more easily.

## Attributes

- Name: [NOVAK WD 1911/COMP USES FRONT .185"-.200", REAR BLADE .735"X.425"](#)

# Safety Instruction Guide for 1911 White Dot Rear Sights

## Introduction

Thank you for choosing the 1911 White Dot Rear Sights. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your new product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using the sights.
- Always handle firearms with care and follow standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for signs of wear or damage before use.
- Always wear appropriate eye protection when handling or using firearms.

## Specific Safety Precautions for Use

- Use only with compatible firearms: The 1911 White Dot Rear Sights are designed for specific models (Government, Commander, Officers). Ensure compatibility before use.
- Be aware of the sight radius: The design of these sights extends the sight radius, which may affect your shooting style. Practice with the sights to become accustomed to their use.
- Avoid touching the lens or sighting surfaces: Oils from your fingers can affect visibility and performance.
- Do not modify the sights: Altering the product may compromise safety and performance.
- Use appropriate ammunition: Ensure that you are using ammunition that is compatible with your firearm and the sights.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing rear sight from your firearm using appropriate tools.
- Align the new 1911 White Dot Rear Sight with the sight dovetail on your firearm.
- Gently tap the sight into place, ensuring it is secure but not overly tight to avoid damage.
- Confirm that the sight is properly aligned with the front sight.

### 2. Usage Instructions:

- When aiming, focus on the front sight while ensuring the rear sight is aligned.
- Use the Wide Notch or Super Wide Notch features to enhance visibility and target acquisition.
- Regularly practice at the range to become proficient with the new sighting system.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for nonhazardous materials.
- Do not throw the product in regular household waste. Check for local recycling programs that accept firearm accessories.

## **Contact Information for Further Support**

For any questions or safety concerns, please consult your local firearms dealer or manufacturer's representative. They can provide additional guidance specific to your needs.

## **Conclusion**

By following these safety instructions, you will ensure a safe and effective experience with your 1911 White Dot Rear Sights. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
