

SITE KOTE - KG PRODUCTS SITE KOTE WHITE 1/4OZ

[Gunsmith Tools](#) > [Sight & Scope Installation Tools](#) > [Sight Insert Kits](#)

Change Sight Colors Instantly; Great For Touch-Up Or Changing Colors To Match Conditions

High-pigment sight paints allow the iron sight shooter to add, change or touch-up sight colors in as little as 60 minutes. Greatly improves sight acquisition, shooter focus, and helps shooters tailor their sights for competition, hunting or self defense. Coating dries flexible to resist chipping and will not fade over time. Great for adding color to new gun sights and archery sight pins, or touching up worn, or chipped sights on all types of weapons. Easy-to-use needle applicator bottle puts the exact amount of paint right where you want it – no waste and no paint brush required. Shake bottle, apply and allow 1 hour to dry. One bottle paints a lifetime of sights.

SITE KOTE KG PRODUCTS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing SITE KOTE WHITE 1/4OZ. This product is designed to enhance your shooting experience by allowing you to customize the colors of your sights. To ensure safe and effective use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- Always use the product in a wellventilated area to avoid inhaling fumes.
- Keep the product out of reach of children and pets.
- Do not ingest the product or use it on any body parts.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Always follow local regulations regarding the use and disposal of paint products.

Specific Safety Precautions for Use

- **Eye Protection:** Wear safety goggles to protect your eyes from accidental splashes.
- **Skin Protection:** Use gloves to prevent skin contact with the paint.
- **Inhalation Risk:** Avoid breathing in vapors. If you experience dizziness or headaches, move to fresh air immediately.
- **Surface Preparation:** Ensure that the surfaces to be painted are clean and dry to avoid adhesion issues.
- **Application:** Use the needle applicator carefully to avoid spills or overapplication.

Instructions for Installation and Usage

1. Preparation:

- Shake the bottle well before use to ensure proper mixing of the paint.
- Clean the sight or surface to be painted thoroughly to remove any dirt or oils.

2. Application:

- Use the needle applicator to apply the paint directly to the desired area.
- Control the amount of paint dispensed by adjusting the pressure on the bottle.

3. Drying:

- Allow the applied paint to dry for a minimum of 1 hour before handling.
- Ensure that the painted area is undisturbed during the drying process.

4. Storage:

- After use, securely close the bottle and store it upright to prevent leakage.
- Keep the product in its original packaging if possible.

Disposal Instructions

- Dispose of any unused product or empty containers in accordance with local waste disposal regulations.
- Do not pour paint down the drain or dispose of it in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of SITE KOTE WHITE 1/4OZ, please refer to the product packaging for the appropriate contact information.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with SITE KOTE WHITE 1/4OZ. Always prioritize safety for yourself and others while using this product. Thank you for your attention to these guidelines.
