## Change Sight Colors Instantly; Great For Touch-Up Or Changing Colors To Match Conditions

High-pigment sight paints allow the iron sight shooter to add, change or touch-up sight colors in as little as 60 minutes. Greatly improves sight acquisition, shooter focus, and helps shooters tailor their sights for competition, hunting or self defense. Coating dries flexible to resist chipping and will not fade over time. Great for adding color to new gun sights and archery sight pins, or touching up worn, or chipped sights on all types of weapons. Easy-to-use needle applicator bottle puts the exact amount of paint right where you want it – no waste and no paint brush required. Shake bottle, apply and allow 1 hour to dry. One bottle paints a lifetime of sights.

# SITE KOTE NEON YELLOW 1/4OZ Safety Instructions

## Introduction

Thank you for choosing SITE KOTE NEON YELLOW 1/4OZ. This highpigment sight paint is designed to enhance your shooting experience by allowing you to customize your sights quickly and effectively. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always keep the product out of reach of children and pets.
- Use the product only for its intended purpose as described in the product text.
- Ensure adequate ventilation when using the product, especially indoors.
- Avoid contact with skin and eyes. If contact occurs, rinse immediately with plenty of water.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Dispose of any unused product or empty containers in accordance with local regulations.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**

- Wear gloves to protect your skin from paint.
- Use safety goggles to protect your eyes during application.
- A mask is recommended to avoid inhaling fumes.

- **Application Precautions:**

- Shake the bottle well before use to ensure even distribution of pigment.
- Use the needle applicator carefully to avoid spills.
- Apply in small amounts to avoid oversaturation of the sight.

- **Drying Time:**

- Allow the paint to dry for at least 1 hour before handling or using the weapon.
- Ensure that the paint is fully dry before exposing it to moisture.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the sight or archery pin to ensure it is free of dirt, oil, or old paint.
- Ensure the area is wellventilated.

### 2. Application:

- Shake the SITE KOTE bottle thoroughly.
- Remove the cap and position the needle applicator at the desired sight location.
- Gently squeeze the bottle to apply a small amount of paint directly to the sight.
- Use a paper towel or cloth to wipe away any excess paint immediately.

### 3. Drying:

- Allow the paint to dry for at least 1 hour.
- Avoid touching the painted area during the drying process.

#### **4. Final Touches:**

- Check the painted sight for evenness and coverage.
- If necessary, apply a second coat following the same application process.

## **Disposal Instructions**

- Dispose of any leftover paint and empty containers according to local waste disposal regulations.
- Do not pour paint down the drain or dispose of it in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding SITE KOTE NEON YELLOW 1/4OZ, please refer to the contact information provided by the retailer or manufacturer.

Thank you for choosing SITE KOTE. Enjoy your enhanced shooting experience safely!
