

CLEANING PATCHES - OTIS SMALL CALIBER PATCHES, 100-PAK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

Get The Job Done Right

Choose from different types of Otis Cleaning Patches to get the job done right: small caliber, all caliber, and panoply. Small caliber patches are designed specifically for .17 caliber to .22 caliber rim-fire, while the all caliber patches are designed so that one patch cleans all firearms from .22 caliber to 12./10 gauge. Each Otis cleaning patch is made from 100-percent cotton and can be used up to 6 times, offering 6 new clean surfaces. Included is a slotted cleaning tip, which allows for effective 360-degree cleaning.

Safety Instruction Guide for Otis Small Caliber Patches

Introduction

Thank you for choosing the Otis Small Caliber Patches. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the information carefully before using the patches.

General Safety Guidelines

To ensure your safety and the safe use of the Otis Small Caliber Patches, please follow these guidelines:

- Always use the patches in accordance with the manufacturer's instructions.
- Keep the patches out of reach of children and vulnerable individuals.
- Do not use the patches for any purpose other than intended.
- Regularly inspect the patches for any signs of damage before use.
- Store the patches in a cool, dry place away from direct sunlight.
- Dispose of used patches responsibly to prevent environmental contamination.

Specific Safety Precautions for Use

When using Otis Small Caliber Patches, please observe the following precautions:

- Ensure that the firearm is unloaded before cleaning.
- Use the slotted cleaning tip provided for effective 360degree cleaning.
- Avoid excessive force when cleaning to prevent damage to the firearm or patches.
- Do not use the patches if they show signs of wear or damage.
- If irritation occurs during use, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

Follow these steps for the proper installation and use of Otis Small Caliber Patches:

1. **Preparation:** Ensure the firearm is completely unloaded and pointed in a safe direction.
2. **Select a Patch:** Choose the appropriate size of the patch based on your firearm caliber.
3. **Attach the Patch:**
 - Insert the patch into the slotted cleaning tip.
 - Ensure it is securely attached.
4. **Clean the Firearm:**
 - Insert the cleaning tip into the bore of the firearm.
 - Move the cleaning tip back and forth gently to clean the bore.
 - Use each patch up to 6 times for optimal cleaning.
5. **Inspection:** After use, inspect the patch for dirt and wear. Dispose of it if necessary.

Disposal Instructions

To dispose of used Otis Small Caliber Patches:

- Place used patches in a waste container designated for nonrecyclable materials.
- Do not flush patches down the toilet or dispose of them in water bodies.
- Follow local regulations for disposal of cleaning materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Otis Small Caliber Patches, please contact the manufacturer's customer service or refer to the product packaging for additional information.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Otis Small Caliber Patches. Thank you for your attention to safety.
