

CLEANING PATCHES - OTIS ALL CALIBER PATCHES, 100-PAK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

Get The Job Done Right

Choose from different types of Otis Cleaning Patches to get the job done right: small caliber, all caliber, and panoply. Small caliber patches are designed specifically for .17 caliber to .22 caliber rim-fire, while the all caliber patches are designed so that one patch cleans all firearms from .22 caliber to 12./10 gauge. Each Otis cleaning patch is made from 100-percent cotton and can be used up to 6 times, offering 6 new clean surfaces. Included is a slotted cleaning tip, which allows for effective 360-degree cleaning.

Cleaning Patches Otis All Caliber Patches Safety Instruction Guide

Introduction

Thank you for choosing the Otis All Caliber Cleaning Patches. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully to understand the safety guidelines, usage instructions, and contact information for further support.

General Safety Guidelines

- Ensure that the cleaning patches are used only for their intended purpose, which is to clean firearms.
- Keep the cleaning patches out of reach of children and pets to prevent accidental ingestion or misuse.
- Inspect the patches before use. Do not use if they show signs of damage or wear.
- Always follow manufacturer recommendations regarding the number of uses per patch.
- Be aware of your surroundings when cleaning firearms. Ensure that the area is safe and free from distractions.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the cleaning patches in a wellventilated area to avoid inhalation of any cleaning solvents.
- Avoid using cleaning patches near open flames or high heat sources, as some cleaning agents may be flammable.
- When using the slotted cleaning tip, ensure that it is securely attached to prevent accidents during cleaning.
- Handle firearms safely and responsibly. Always treat every firearm as if it is loaded.
- Follow all local laws and regulations regarding firearm cleaning and maintenance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary cleaning supplies, including the Otis cleaning patches, cleaning solvent, and a cleaning rod.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Using the Cleaning Patches:

- Select the appropriate cleaning patch for your firearm caliber.
- Attach the slotted cleaning tip to the cleaning rod.
- Insert the cleaning patch into the slot of the cleaning tip.
- Apply a small amount of cleaning solvent to the patch.
- Insert the cleaning rod with the attached patch into the firearm's bore.
- Move the cleaning rod back and forth gently to clean the bore. Repeat this process as necessary.
- After use, remove the patch and dispose of it properly.

3. PostCleaning:

- Inspect the bore to ensure it is clean.
- Store the cleaning patches in a cool, dry place, away from direct sunlight and moisture.
- Ensure that all cleaning supplies are stored securely and out of reach of children.

Disposal Instructions

- Dispose of used cleaning patches in accordance with local waste disposal regulations.
- Do not flush the cleaning patches down the toilet or dispose of them in a manner that may cause environmental harm.

Contact Information for Further Support

For any safety inquiries or issues regarding the Otis All Caliber Cleaning Patches, please reach out to the manufacturer or your local distributor for assistance. Always refer to the manufacturer's website or product packaging for the most current contact information and support resources.

Thank you for using the Otis All Caliber Cleaning Patches. Your safety and satisfaction are our top priorities.
