## Have The Right Brush On Hand For The Toughest Cleaning Job

Nylon, bronze or stainless steel bristles means you will always have the correct brush on hand even for the toughest cleaning requirement. Flexible, double-ended design is best around in the shop; can be put to dozens of uses cleaning, polishing and restoring. Blue or white nylon takes care of fresh carbon or powder residue inside or out but won't scratch your firearm's finish. Extra-gentle white nylon is also perfect for cleaning delicate wood surfaces. Bronze cleans more stubborn residue on metal surfaces that require more aggressive scrubbing action like inside slides, receivers or locking lugs. Stainless steel is best for aggressive cleaning of fouling other brushes won't touch. Use stainless steel on interior surfaces only because it will scratch and mark most gun steels and finishes.

## Attributes

- Name: [OTIS STAINLESS STEEL ALL PURPOSE BRUSH](#)
- Manufacturer: [OTIS](#)
- Product no.: 668000022
- Mfr. No.: 316TSS

# Safety Instruction Guide for ALL PURPOSE CLEANING BRUSHES OTIS STAINLESS STEEL ALL PURPOSE BRUSH

## Introduction

Thank you for choosing the ALL PURPOSE CLEANING BRUSHES OTIS STAINLESS STEEL ALL PURPOSE BRUSH. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully to understand the safety precautions and proper usage to avoid any potential hazards.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose, which is cleaning and maintaining firearms and other delicate surfaces.
- Always inspect the brush for any damage or wear before use. Do not use if damaged.
- Keep the brushes out of reach of children and vulnerable individuals.
- Follow all local regulations regarding the disposal of cleaning materials and brushes.

## Specific Safety Precautions for Use

- **Material Awareness:**
  - Use nylon brushes for cleaning delicate surfaces to prevent scratching.
  - Use bronze brushes for stubborn residue on metal surfaces that require more scrubbing.
  - Use stainless steel brushes only on interior surfaces of firearms; avoid using on any exterior surfaces to prevent scratching and marking.
- **Usage Environment:**
  - Use the brush in a wellventilated area to avoid inhaling any dust or debris.
  - Avoid using the brush near open flames or in areas where flammable materials are present.
- **Personal Protection:**
  - Wear protective eyewear to shield your eyes from debris that may be dislodged during cleaning.
  - Consider wearing gloves to protect your hands from cleaning residues and potential abrasives.

## Instructions for Installation and Usage

- **Preparation:**
  - Ensure that the firearm or surface to be cleaned is unloaded and safe to handle.
  - Select the appropriate brush based on the material and type of residue to be cleaned.
- **Cleaning Process:**
  - For nylon brushes, gently scrub the surface to remove carbon or powder residue without scratching.
  - For bronze brushes, apply moderate pressure to effectively remove stubborn residues.
  - For stainless steel brushes, use with caution and only on interior surfaces. Apply light pressure to avoid damaging the surface.

- **PostCleaning:**

- After use, clean the brushes to remove any residues and store them in a dry place.
- Regularly check the condition of the brushes and replace them if bristles are worn or damaged.

## **Disposal Instructions**

- Dispose of used brushes in accordance with local waste disposal regulations.
- Do not dispose of brushes in regular household waste if they are contaminated with hazardous materials.
- Check local guidelines for proper disposal methods for cleaning materials.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the ALL PURPOSE CLEANING BRUSHES OTIS STAINLESS STEEL ALL PURPOSE BRUSH, please reach out to the designated support channels provided with your product packaging or visit the manufacturer's website for more information.

By following the instructions and safety guidelines outlined in this document, you can ensure a safe and effective cleaning experience with your ALL PURPOSE CLEANING BRUSHES OTIS STAINLESS STEEL ALL PURPOSE BRUSH. Thank you for your attention to safety.
