[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Gun Cleaning Brushes](#)

## Have The Right Brush On Hand For The Toughest Cleaning Job

Nylon, bronze or stainless steel bristles means you will always have the correct brush on hand even for the toughest cleaning requirement. Flexible, double-ended design is best around in the shop; can be put to dozens of uses cleaning, polishing and restoring. Blue or white nylon takes care of fresh carbon or powder residue inside or out but won't scratch your firearm's finish. Extra-gentle white nylon is also perfect for cleaning delicate wood surfaces. Bronze cleans more stubborn residue on metal surfaces that require more aggressive scrubbing action like inside slides, receivers or locking lugs. Stainless steel is best for aggressive cleaning of fouling other brushes won't touch. Use stainless steel on interior surfaces only because it will scratch and mark most gun steels and finishes.

## Attributes

- Name: [OTIS BRONZE AP BRUSH](#)
- Manufacturer: [OTIS](#)
- Product no.: 668000023
- Mfr. No.:
- Material: Bronze
- Delivery weight: 0.005kg

# **Safety Instruction Guide for ALL PURPOSE CLEANING BRUSHES OTIS BRONZE AP BRUSH**

## **Introduction**

Thank you for choosing the ALL PURPOSE CLEANING BRUSHES OTIS BRONZE AP BRUSH. This guide provides essential safety information and instructions to ensure safe and effective use of this product. Please read this guide carefully before using the cleaning brushes.

## **General Safety Guidelines**

- Ensure that the brushes are used only for their intended purpose, which is cleaning firearms and other delicate surfaces.
- Always inspect the brushes before use. Do not use if damaged or worn.
- Keep brushes out of reach of children and pets to prevent accidental injury or ingestion.
- Use protective eyewear when cleaning to avoid contact with debris or cleaning residues.
- Avoid using the stainless steel brush on exterior surfaces of firearms to prevent scratching.

## **Specific Safety Precautions for Use**

- **Material Awareness:**

- Nylon brushes are safe for most surfaces but test on a small area first.
- Use bronze brushes for stubborn residues on metal surfaces; avoid excessive force to prevent damage.
- Stainless steel brushes should be used only on interior surfaces of firearms due to their aggressive cleaning nature.

- **Personal Safety:**

- Wear gloves when using these brushes to protect your hands from sharp edges or residues.
- Ensure good ventilation when cleaning to avoid inhalation of dust or particles.

- **Hazard Identification:**

- Be aware of sharp bristles that can cause injury if mishandled.
- Avoid using brushes on heated surfaces to prevent burns.

## **Instructions for Installation and Usage**

- **Installation:**

- No installation is required. Simply select the appropriate brush for your cleaning task.

- **Usage Instructions:**

- For nylon brushes: Use gentle strokes to remove carbon or powder residues. Ideal for cleaning delicate surfaces.
- For bronze brushes: Apply moderate pressure to remove stubborn residues. Effective on metal surfaces like slides and receivers.
- For stainless steel brushes: Use with caution and only on interior surfaces. Avoid contact with finishes to prevent scratches.

- **Cleaning After Use:**

- Rinse brushes with water and allow them to dry completely before storage.
- Store brushes in a dry place to prevent rust and deterioration.

## **Disposal Instructions**

- Dispose of the brushes in accordance with local regulations.
- If the brushes are damaged or worn, they should be discarded responsibly. Do not throw them in regular household waste if they can cause injury.

## **Contact Information for Further Support**

For any safety inquiries or further information regarding the ALL PURPOSE CLEANING BRUSHES OTIS BRONZE AP BRUSH, please contact the manufacturer or your local distributor.

This safety instruction guide is designed to help you use the ALL PURPOSE CLEANING BRUSHES OTIS BRONZE AP BRUSH safely and effectively. Adhering to these guidelines will help ensure your safety and the longevity of the product. Thank you for your attention to these important safety instructions.
